

# Bureau of Taxation To Explain Assessing

BELLEVILLE -- A detailed explanation on how the assessed valuation of property and building in Van Buren Township is state equalized will be presented at the regular meeting of the Van Buren Township Board scheduled Feb. 13, Louis A. Toth, supervisor, announced.

A representative from the Wayne County Bureau of Taxation will review the process of equalizing property. How both the county and state arrive at assessing property and building

# Perry Warns Residents on Registering

ROMULUS -- In December of each year it is the Clerk's duty to go through the registered voter files and send a re-registration card to any voter that has not voted within the last two years in a local, state or national election. School elections do not count, Alfred J. Perry, Romulus Township Clerk, reported.

Four hundred and sixty-eight re-registration cards were sent out and 262 were returned and re-registered. Cancelled registered totaled 206 and these must come in and register he said.

NOT THE MISSISSIPPI -- but a water flood on Goddard Road, just west of Wayne Road during last Thursday, (Feb. 1) heavy rain. The Wayne County Road Commission, responsible for road clearance and maintenance was too busy to keep up with the all-day rain fall and erected a road warning sign. The above scene was duplicated in many areas including home sites throughout Western Wayne County.

# RAIN FLOODS ARE HIT

(continued from page 1)

virtually a prisoner in her home because of flooded front and back yards. The water seeped into her front room to a depth of three inches, she reported.

John Payne, 218 South Street, reported that his home was completely surrounded by water calling for the use of the family's boat.

# Pupils to Hear MESC Officials

BELLEVILLE -- Eighth graders in sections Q, H and I at Belleville Junior High School will hear speakers from the Michigan Employment Security Commission, Wednesday, Feb. 14, Mrs. Thelma Shotten, English teacher, announced.

The two representatives: Mrs. Caroline Blank and Richard Schuck will speak on "Job Opportunities" from 12:30 to 1:40 p.m. The speaking highlight concludes the "Careers Unit" studies of Mrs. Shotten's English project.

Louis A. Toth, Van Buren Township supervisor, reported that his office was bombarded with phone calls from residents. He kept contacting the local yards of the Wayne County Road Commission, located at New Boston and at Yost Road, Belleville, in efforts to get ditches, roads and driveways opened up. The big freeze before the rain caused many culverts to freeze up with accumulated storm water, he said.

He reported that last year when the Davis Tile Drain, constructed some 30 years ago east of Sumpter Road, caused flooded conditions in the vicinity of the N & W Railroad tracks, the County Drain Commission crews came out, made repairs and replaced some tile. This tile drain is from 500 to 700 feet in width.

A special tax assessment was levied against area property owners to defray costs of these repairs. It now appears that the commission failed to make sufficient repairs of broken and cracked drain tile in the Sumpter Road location. To replace

all of this tile drain would cost thousands of dollars, he said. Toth disclosed that prior to his taking office, the drain commission charged for checking storm drains. This cost the township from \$7,000 to \$8,000 a year drain tax.

Currently, he said, the township checks on drain complaints. If major tile drains are in bad shape or broken, then under present statutes, a public hearing on the drain district must be held and only on request of at least seven affected property owners and taxpayers before any assessments can be levied to pay construction or repair costs billed by the County Drain Commission.

He said that the township officials couldn't force residents in an affected drain district to pay. It must be by petition of area property owners.

The Vietnam war has already reached the point where it is the second most expensive war in U.S. history. It is costing around \$30-billion a year.

# Romulus Readies Budget

ROMULUS -- It is budget time in Romulus Township. Edmund Bizek, township supervisor, in preparing the township's 1968-69 budget, has asked department heads to submit budget requests for Township Board's consideration.

The new proposed budget should be ready for finalizing by April 1, he said.

The requests were made to the police, fire, recreation and administration departments.

The township's water and sewer department budget is prepared separately.

STATE'S EQUALIZING of property and building is computed at 50 per cent of market value.

Van Buren property is assessed at 43 per cent of reproduction costs and land at 40 per cent. The new method used by the state authorities and relied upon by the county was adopted two years ago.

It requires assessing property at 50 percent of its market value and requires that the state equalization valuation be posted on current tax bills. This is higher than that posted by the township, Toth reported.

# HERO HONORED

(continued from page 1)

rapid advancement to the position of squad leader.

Feeling a deep concern for the welfare of his men he won their abiding respect and confidence and was able to mold them into an effective and hard-hitting combat element. Sergeant Clark worked long arduous hours when conditions demanded, dedicating himself wholeheartedly to the accomplishment of his unit's mission.

He was mortally wounded on Oct. 29, 1967. Sergeant Clark's professional ability and outstanding performance are in keeping with the highest traditions of the military service and reflect great credit on himself, his unit and the United States Army.

standing performance are in keeping with the highest traditions of the military service and reflect great credit on himself, his unit and the United States Army.

THE ARMY COMMENDATION Medal's citation stated: "For the performance of exceptionally outstanding service in support of the United States objectives in the counter insurgency effort in the Republic of Vietnam during the period from Feb. 6, to June 27, 1967.

Through his outstanding professional competence and devotion to duty he consistently obtained superior results. Working long and arduous hours, he set an example that inspired his associates to strive for maximum achievement.

The loyalty, initiative and will to succeed that he demonstrated at all times materially contributed to the successful accomplishment of the mission of this command. His performance was in the best traditions of the United Army and reflects great credit upon himself and the military service."

# PROJECT

(continued from page 1)

mainder of the complex would depend "on what the market is," he said.

Toth last week urged the objectors (approximately 37 area residents who appeared at the Jan. 23 Board meeting when the rezoning was approved) to be careful when considering the referendum vote. He said:

"All there has to be done in Van Buren is to have a referendum on zoning. Nobody would want to invest in the Township for fear that every rezoning plea would result in a referendum."

He disclosed that the project would bring to the Township in excess of \$400,000 a year in additional taxes. He reported that this estimate was a conservative one.

Volk stated that the additional tax revenues would be closer to \$800,000 when the complex is completed.

JUST ONE OF MANY areas in Belleville-Romulus-Van Buren hit by floods caused by last week's rains. The above scene is located in the southeast end of Romulus Township below the Metropolitan Airport. Telephone switchboards of area governments as well as the Wayne County Road and Wayne County Drain Commissions were kept busy with a 24-hour run schedule. Home owners and some businesses complained of clogged storm drain ditches. Some roadside ditches still contained part of the near-record rain fall of Jan. 21.

## FOR LONG SERVICE

# Board Commends Crova

ROMULUS -- A resolution commending Romulus Township's Fire Chief, Joseph Crova, for his many years of township service was adopted and approved by the Romulus Township Board Monday night.

The resolution, recommended by Supervisor Edmund Bizek, was adopted on motion of Alfred J. Perry, clerk, and supported by Trustee Ellis Pennington.

Crova, who resides at 37054 Grant, owns and operates the Crova Sales & Service, 37385 Goddard Road, when not busy fighting township fires. He has been a member of the fire department for 27 years and its chief.

The resolution states:

WHEREAS: The Romulus Township Fire Department, under the capable direction of Fire Chief Joseph Crova, has for many years demon-

strated their ability to protect the lives and property of the Township, and

JOSEPH J. CROVA

WHEREAS: These men have sacrificed time and worked under hazardous conditions in the interest of Public Safety, and

WHEREAS: The efficiency and responsibility this Department has shown in the course of job performance during their 24-hour, seven-day week standby,

THEREFORE BE IT RESOLVED: That the Romulus Township Board go on record as publicly commending both Fire Chief Crova and his Volunteer Fire Department for their meritorious service over and beyond the call of Duty, and

BE IT FURTHER RESOLVED: That this Resolution be published in the local newspaper as a permanent record of gratitude by the residents of Romulus for the feeling of security that prevails due to the untiring efforts of the Romulus Fire Department.

(Editor's Note: In last week's edition of the Enterprise-Roman, Huron Township's Supervisor George Angel criticized the Huron Township School Board saying the people lost faith in the school's administration for lack of effective administration and that the School Board failed to keep parents and taxpayers informed on how monies are being spent. In this issue the School Board replies.)

## TO THE EDITOR:

The health, education, and welfare of a community are important considerations for all citizens of that community.

Education is a major industry in our community of Huron

Township and it is the responsibility of the school board as elected representatives of the people to make the policies that govern the operation and program of the school system. It also is the responsibility of the elected board of education to present the needs of the schools to the people of the district and make them aware of their responsibility in financing the operation of the school system.

We would like to do our job as other elected officials do the job that they were elected for.

THE MONIES to operate school are derived from two major sources: (1) local property taxes and (2) state aid.

Although the valuation for

figuring the local taxes in our district increased this year, the state aid per pupil decreased. This is because the state formula for figuring state aid is geared to the local district's valuation. This is why the Huron School District is receiving less state aid per pupil for the school year 1967-68 than they did for the year 1966-67.

At the present time our schools are receiving approximately 66 percent of the operating revenue from the state and the remaining amount from local revenues.

A five-mill renewal was asked for in December of this past year because the original five mills went off the tax rolls as of Dec. 31, 1967.

At that time the Board of education asked for the five mill renewal plus an additional five mills so that we could anticipate our revenue for next year in order to adequately plan the program.

THE HURON SCHOOL District now has only 10.90 mills or \$10.90 per \$1,000 on the assessed valuation of the property.

In comparison the Flat Rock School District has 21.90 mills for operation, Sumpter has 17.90 mills for operation and Belleville (Van Buren Public Schools) has 19.40 mills for operation. All of our neighbors have higher mills for operation and most of them are asking for at least five to 10 mills additional for operation.

On Jan. 3, the State Board of Education did attach approximately six square miles of the Sumpter School District to the Huron District to take effect June 7, 1968.

Half of Alaska's population lives along what is known as the "Railbelt" -- a strip that follows the Alaska railroad from Seward to Fairbanks.

## Firemen To Get Training

BELLEVILLE -- An extension course in fire prevention for Belleville City firemen was approved by City Council Monday night.

Council members approved a motion by Councilman and Fire Commissioner Kenneth Palmer calling for six nightly sessions of three-hour duration under the direction of the University of Michigan Extension Service. The course is to begin in May. Firemen will be shown the latest techniques in fire fighting and fire prevention.

In other action Monday night was council's acceptance from members of Belleville Junior Study Club of two signs -- drawings of the City of Belleville and Van Buren Township. They were presented as a public service aid for area residents and visitors. "The City of Belleville-Van Buren Maps"

will be put on display at Victory Park and in front of the library, Mayor Royce E. Smith stated. Club members who received the thanks of council were Mrs. Lillyan Carlson, Miss Charlene Tator, and Mrs. Marie Marion.

Richard Brender, of Brender and Brender, city engineers, was instructed by council to prepare an estimate on cost of preparing plans showing location of sewers and underground cables in the city. Locations of recent sewer and underground projects are known. The plans would relate to older projects.

THE REMAINDER of the Sumpter District was divided between Lincoln Consolidated, Airport, and Belleville School Districts in like manner.

The area for Huron will include 90 elementary students and 60 high school students. The State Board also recommended \$250,729 for our district to be used for physical facilities for these students.

This amount to be paid by the State of Michigan and not the Huron School District. For the Sumpter families coming to

this district, their property will be taxed for school operation the same as for the people living in the Huron School District.

The records of the school district, such as minutes of the board meetings and financial records are public information and are available for examination at the local board office during the time the office is open.

Come to the Board of Education meetings and get the facts about your schools.

HOW ABOUT IT? -- The Belleville Rotary Club is sponsoring a Father and Son Banquet to be held Wednesday, Feb. 28 at 6:30 p.m. at the First Methodist Church. In charge of ticket sales are Ed Sienko, treasurer of the First Methodist Church (left) and Darryl Raymond, Jr. They are presenting for sale admission tickets that are \$1.50 for adults and 75 cents for children 12 years of age and under. Fathers don't forget those sons of yours.

## An Open Letter To The People Of The Romulus And Belleville Area:

This week will be our first full week in business here in Romulus. Since Saturday, January 27, when we took over from Midwest, our people have been working very hard bringing in new merchandise and installing the Vescio sales program. Thanks to their outstanding effort, our store is well-stocked and our people are ready to serve you in the Vescio way.

We hope you will give us a try. We would like very much to be your grocer. For our part, we intend to do our best to make your grocery shopping an enjoyable experience. We believe that you will find grocery shopping can be a lot of fun at Vescio's.

One thing we know for certain -- you will be pleasantly surprised by our everyday low prices.

We invite you to visit our Vescio Romulus store this weekend. Even if you don't buy a thing, we believe you'll enjoy seeing the great variety of products and the low prices in our store.

We're sure that after you've shopped our store once, you'll agree that "Nobody Packs More In A Bag For Less!"

The Technological Explosion is Here

Have you attempted to assist your youngster with his science homework lately? If you have, you probably have been impressed by the rapid advance in technical knowledge. Actually these advancements in the last twenty years have surpassed the entire previous span of civilization.

For a few current examples: new drugs have reduced diseases to record lows, computers process complicated information in split seconds, satellite communication encompasses the world.

It hardly needs to be pointed out that those inventions and discoveries have come essentially through the direct contributions by creative individuals in American industry.

ALTHOUGH THIS may seem to be obvious, there is a body of opinion maintaining that government will be the major sponsor of invention and innovation in the years to come.

The government of course has a place in research and development.

But it should never be forgotten that the general technical pre-eminence of America, whether it be evidenced by the latest work-saving appliances, life-saving drugs, or new products affecting our work and pleasure, has been fostered by the private enterprise system which is the foundation of industrial progress in this country.

The Grassroots Are Rumbling

AS ONE reads comment in the press from over the 50 states, there is growing evidence that more and more persons are getting tired of working to save something and then have it taxed away to be spent for all manner of political projects.

We now have two generations of young people who never knew what it was like to earn a dollar and not have to account for it to state or federal officials. Most individuals now need professional help to fill out complex tax forms.

More and more people are getting tired of seeing the cream of their income spent for give-away schemes, domestic and foreign. They want the pleasure of spending, saving or losing some of their own earnings.

NO WONDER the demand is growing for a decrease in government extravagance. The more the taxpayers are assessed, the more the public spenders spend. There is no thought of saving.

People will only get relief by their "NO" votes. Scan the measures and the record of every candidate before voting "YES", as you are voting to spend your life's earnings.

Profiles in Photography

By Bill Balogh

ONE OF THE WORLD'S-most beautiful structures is the famous "Duomo of Milan", Italy. ANP's Bill Balogh takes you to the steps of the Gothic cathedral built of white marble. Started in the 14th Century and finally finished in the 19th, it is elaborately ornamented with 100 spires and over 1,000 statues. Atop the highest spire, 355 feet from the ground, is a gilded statue of the Virgin Mary, known as the Madonnina.

The Public Letter Box

TO THE EDITOR:

One of the "facts" stated by Mr. Angel in his recent letter to the paper says quote "The five-mill renewal asked for in December, 1967 does not end until June, 1968."

I am afraid that I fail to understand what this profound statement means.

Another "fact" he states is that our school officials failed to keep the parents and taxpayers informed of how our monies are spent. Does not Mr. Angel, himself, know that all financial records of public schools are available any school day for public scrutiny?

These taxpayers were invited time after time to attend meetings at which school financial problems were explained and discussed but these taxpayers including Mr. Angel failed to attend. I know. I attended many of these meetings.

School board meetings are always open for the public. If taxpayers are not informed, it is because they themselves have failed to take advantage of all the opportunities to become informed.

MR. ANGEL also left out some important facts in regard to the last school millage vote. He doesn't say that he himself asked in a paid advertisement in the Flat Rock Guardian that Huron voters vote NO in this election as a protest against Sumpter annexation.

This ad was placed after this matter had already been decided at State levels (which Mr. Angel should have known) and all possible appeals had been turned down. He used a popular emotional appeal that could have no effect except to defeat the millage. He didn't say that the schools did not need the money.

Mr. Angel is the man who righteously proclaims that he has a duty to protect the health and welfare of our township but on both scores he has failed miserably in the past and now.

IF MY memory serves me right, Mr. Angel was the man who as a representative of the Huron Township Board to the PCHA a few years back, voted

against the wishes of the town board and I might add the wishes of the community, to deny the use of the tax supported hospitals to our local doctors because they are D.O.'s instead of M.D.'s. This is serving the health needs of the community?

Mr. Angel is also the man who by his adamant stand against the school millage and by innuendo and rumor has managed to reduce the ability of the schools to educate our township youngsters to a substandard level. This, too, is serving the community welfare?

I challenge Mr. Angel to compare the cost of running the township government today against five years ago.

WOULD HE approve cutting the amount of money received from local taxes for township purposes by one-third? This is what he is asking the schools to do in the face of greatly increased costs.

I am waiting to hear Mr. Angel tell the people the whole truth about the cost of our proposed sewer program -- not just the millage involved but other costs that have not been publicized yet.

LET'S HAVE THE FACTS, GEORGE!

Mrs. Warren Fuller, New Boston

TO THE EDITOR:

In regard to the McMullan apartment project, it seems that Mr. Toth is a lot like Mr. Wilson of G. M., who thinks that what is good for G. M. is good for the country. Mr. Toth thinks that what is good for his political career is good for Van Buren Township.

Mr. Toth, who by his own admission needs more population for the issuance of more liquor licenses in Van Buren Township thinks that everyone wants another bar. The fact that Mr. Toth and some of the other Township officials are concerned about the population and liquor licenses is a blight on our township.

Our Township needs leadership that is more concerned about the kind of people who live with them and the way these people will add to the growth of our township and not so much about the amount of revenue these people will give to the township treasurer, and, I wonder, to Mr. Toth's bank account.

WHAT ARE the people of our township going to do about a public access to the lake? Before the Michigan Department of Conservation will participate in any way with a program of clean up and restocking of Belleville Lake with game fish, they must be assured a public landing.

If our Planning Commission is really planning, they would have made provisions for a landing site, to be used by Van Buren Township Citizens before they took away McMullan's landing.

I have lived in Van Buren Township five years and I moved here with zoning laws that assured me I wouldn't have apartment complexes in my back yard.

The companies that want apartment houses here don't care about your families and mine, they only care about dollars. I don't care as much about those dollars as I do about the kind of community I want to live and raise my family in.

IF I wanted that kind of urban atmosphere I could have stayed

in Detroit and lived with a high density type dwelling environment. It is very disheartening to think we moved here to now face the same thing we moved to get away from.

Mr. Toth said that if the people thought this township could stay the way it is he felt sorry for them. I realize that the useable land area between Detroit and Chicago will in the near future be a densely populated area, but I feel that Van Buren Township with the natural resource of Belleville Lake doesn't have to submit to enterprising financial rapists to ensure our area of future growth.

If Mr. Toth doesn't feel there is a better way to economically operate our community, then I feel sorry for him.

Rodney A. Bly

AN OPEN LETTER TO THE HURON TOWNSHIP BOARD:

The taxpayers of Huron Township want to know about the sewer plan and what it will cost them. If the plan is approved by the Township Board before the taxpayers have this information, there is certain to be a referendum petition and petitions are circulated by people who want a "no" vote.

The following is a list of questions:

- The problems with the Water Resources Commission involve only two small areas of the community. Is it true that it will cost the average homeowner in these two areas a total of \$1,300 each to connect to the sewer and about \$100 a year for operations and debt?
  - Is it true that only 15 percent of the homes in the township will have a sewer made available to them by this program? Will the average homeowner pay \$60 per year with no benefits at all?
  - Is it true that a half million dollars of Huron Township money will be spent to extend a sewer to Sumpter Township because Sumpter feels it cannot afford to take part in the program now?
  - With a seven member Township Board, why are some members kept in the dark about the proposed program?
  - Is it true that the Wayne County Auditors studied the plan and reported that the township would not be able to pay for it?
  - Why are we continually having our assessed valuations increased? Will they have to be raised again to pay for the sewers?
- Ray Miller

TO THE EDITOR:

Thank you for the nice write up in this weeks "Enterprise Roman." I'm sure every one is proud of seeing it in there. We are sure it will help our pack a great deal.

Peter Gonzales, Cubmaster 857, New Boston

Valentine Day Card Lore is Interesting

People have been celebrating this festival of love and affection since long before there were Valentine cards -- in fact, before it took its present name. Back in ancient Rome, people celebrated a festival called Lupercalia every Feb. 15. It

honored Juno and Pan, and was celebrated with feasting, dancing and revelry. After the spread of Christianity the festival was changed to Feb. 14, the feast day of two Christian martyrs, both named Valentine; but the sentimental meaning of the old festival has remained to the present time.

People have been giving gifts at Valentine's Day for centuries, but the custom of sending sentimental messages developed gradually with the mail service.

THE OLDEST Valentine cards in America, are some small cards with German script, probably made by nuns and monks in the early 1700's.

The custom became very popular in North America during the 1800's. Esther Howland is credited with being the first person in the United States to publish Valentines, in 1840.

Many Valentines of that period were hand painted. They usually showed a fat cupid whose arrows pierced a heart. Some had satin, mother-of-pearl, tassels, imitation gems, sea shells and even dried flowers and seaweed.

Life's What It's Made

One should live life not waste it away, by hiding in corners of conscious dismay. Hiding in corner not saying a thing, content to think life is a dangerous fling. People sit back and go on and on about places they've seen but never have gone, or heard of and thusly have taken from there, while letting life pass and going nowhere.

Hypocrites all of them safe in their nest, afraid to go out, afraid of the rest of the people outside just breathing cool air and searching for life that God has put there. Some of these people are mixed up I know, but at least they don't sit still and pass up the show. For life is a show full of many new turns, a comedy, a drama, with emotion it chums.

We mustn't judge others for we know not their ways, we know not the scenes that have filled up their days. We know not their good points nor either their bad, if we've sat on our chairs instead of life had.

Do you think for a moment we were put here to hide? To stay behind curtains afraid of the ride? If this be the case then tell me is you will, Why didn't God make us an old window sill?

He gave us this earth and everything on it, get up off that chair, put a bee in your bonnet. Take with you my friend the things you so hate, look at them now and again when it's late.

Study them well and I'm sure you will find, there's a reason for most things if one just looks behind. Don't sit by that curtain. Don't hide by that shade, Get out and meet people you'll like life re-made.

Lois R. White

Your Income Tax

(Editor's Note: Several millions of Michigan taxpayers will file their annual Federal income tax returns April. Because of the technical complexities of our self-assessment tax system, The Enterprise-Roman will publish a series of articles prepared by Internal Revenue Service to assist taxpayers. The second of the series appears below.)

WHEN AND WHERE TO FILE YOUR TAX RETURN

You are required by law to file your 1967 income tax return not later than April 15, 1968.

Michigan taxpayers should mail returns showing refunds, directly to the Central Service Center. The address is: Internal Revenue Service Center, Cincinnati, Ohio 45298.

Direct mailing will speed the processing and refunding procedures involved by eliminating one handling operation. An envelope pre-addressed to the Service Center is included with your tax form package.

RETURNS NOT showing refunds should be mailed to the District Director of Internal Revenue, Detroit, Michigan 48226.

Taxpayers are urged to use the pre-addressed forms sent to them by mail.

The Forms 1040A will have the taxpayers' name and address printed on them. The Forms 1040 will have a two-part pre-addressed label attached. If your name or address has changed or is incorrect on the forms, you should lightly strike it out and enter the correct information.

The corrected portion of the two-part label on the Form 1040 should then be removed and attached to the return that will be filed with Internal Revenue.

Taxpayers who will be required to file a Declaration of Estimated Tax, Form 1040Es, should attach the top part of the label to that form.

JOINT OR SEPARATE RETURNS

A HUSBAND and wife may file a joint return even though one of them had no income or deductions for the year. If the wife had income, they may either file a joint return or separate returns.

Where a joint return is filed, the income of both must be included in the return regardless of amount. Both husband and wife must sign the return, or it will not be considered a joint return.

If separate returns are filed, neither may claim an exemption for the other. For example, suppose a wife earned \$400 from which income tax was withheld. If she files a separate return to obtain her refund, the husband cannot list her as an exemption on his return.

IF HUSBAND and wife file separate returns, both must use the same type standard deduction, or both must itemize their deductions. One cannot claim the standard deduction when the other does not.

Internal Revenue Document No. 5107 furnishes more detailed information on this subject and may be obtained by dropping a postcard to the District Director, Internal Revenue Service, Detroit, Michigan 48226.

SCOUT WEEK IS FEB. 7-13

President Johnson Hails Boy Scouts of America

President Lyndon B. Johnson told the 6,058,508 members of the Boy Scouts of America that

they "have kept pace with the times" and "played an indispensable part in the lives of both your members and the nation you serve."

Mr. Johnson is Honorary President of the Boy Scouts of America and was an active Scouter both at Austin, Texas, and at Washington, D.C.

His message for Boy Scout Week, Feb. 7 to 13, marking the 58th anniversary of the movement in the United States, was released here by the Detroit Area Council, Boy Scouts of America through Joseph H. Brinton, its Scout Executive, who received the message from Chief Scout Executive Alden G. Barber. The President's message follows:

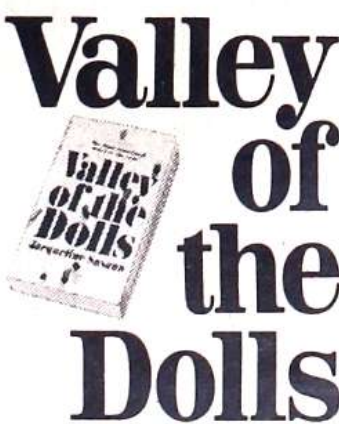

"I am delighted to salute the nation's Scouts and future leaders during the traditional observance of Boy Scout Week.

For fifty-eight years, you have shown the world the truest meaning of honor, integrity, loyalty, and patriotism. And you have done it through example, not preaching; by deeds, not words. You have kept pace with the times, but you have not lost faith in our time-honored traditions.

Since 1910, you have played an indispensable part in the lives of both your members and the nation you serve. Your helping hands have stopped at no barriers. You have reached out to boys in low income areas, and given those in remote rural America a chance to participate in the fullness of our land. Our nation is greater for your role in its history, and generations of its men are physically and morally stronger for their part in your great and growing movement."

OVERHEARD COMMENTS BY THE GIRL FROM SKIPPER'S TABLE

In Case Of Love

GO DIRECTLY TO SKIPPER'S TABLE FOR VALENTINE'S DAY

The girl from Skipper's Table recommends that everyone-in love, out of love or otherwise-take a break and visit SKIPPER'S TABLE RESTAURANTS THIS VALENTINE'S DAY, Feb. 14th. Two locations to serve you: 33201 Plymouth Rd. at Farmington Road, Livonia and 7030 W. 7 Mile Road, one block west of Livonia. Lunch is only 99¢ weekdays. Dessert and beverage is extra.

**GUEST STUDENT**—Dwight Patalocco, 17, senior at Belleville High School (center) was Belleville Rotary Club's guest student for January. He is being congratulated by Robert Breeding, chairman of Special Projects (left) and Robert Gray, chairman of the Interact Committee. Patalocco, president of the high school's Literature Club and Student Council representative, plans on attending college when he graduates and major in music.

## Key Club Entertains Kiwanians

ROMULUS -- Romulus Senior High School boys of the Kiwanis Key Club and their school faculty advisor, James Nyison, entertained members of the Romulus Township Kiwanis Club at a Thursday night dinner-meeting Feb. 1. About 50 Key Clubbers and Kiwanians were present.

Dinner was served cafeteria style in the Senior High School cafeteria. Three high school girls, Brenda Sell, Julie Lamberson and Pat Warden, served, while Key Club boys furnished the food.

A film showing Kiwanians and Kiwanis Key Clubbers throughout the U. S. working together in countless activities and community projects was shown.

THE FILM also included highlights of the 24th Annual Key Club International Convention held last July 2-5 in Louisville, Kentucky. A number of Romulus Key Club boys attended this event, accompanied by local Kiwanians.

Officers of the Romulus High Key Club include: President, Conrad Painter; Vice President, Jeff Bartley; Secretary, Mike Chapo; Treasurer, Roy Bingham. The Key Clubbers are sponsored by the Romulus Kiwanis Club.

## Everett Wilkins Gets Promotion

BELLEVILLE -- Lawrence A. Wilkins, 19, son of Mr. and Mrs. Everett L. Wilkins, 7643 Marlowe, was promoted to Army private pay grade E-2 upon completion of basic combat training at Ft. Knox, Ky., Jan. 19.

The promotion was awarded two months earlier than is customary under an Army policy providing incentive for outstanding trainees.

## FIRST OF A SERIES Public Hearing to Designate Water Quality Standards Set

ANN ARBOR -- The first in a series of public hearings to designate the specific water uses to be protected by Michigan's new standards of water quality for inland lakes and streams will be held in Ann Arbor on Feb. 21.

The State Water Resources Commission will conduct the hearing in the Garden Court Room of the Statler-Hilton (Ambassador) Inn beginning at 1:30 p.m., Loring F. Oeming, Commission executive secretary, announced.

These standards, adopted Jan. 4, are similar to those adopted last June for interstate waters, including the Great Lakes, although some additional standards are included for application to inland lakes.

THE NEW standards are designed to maximize the usefulness of the state's water resource for all citizens.

This hearing will deal with waters in southeastern Michigan, Oeming said. Subsequent meetings at other locations will be concerned with the state's other inland lakes and streams.

Information on present and prospective future uses of the waters involved will be presented at the hearing, and then the Commission will designate the uses to be protected within the drainage basins of the Belle, Pine, Clinton, Rouge, Huron and Raisin Rivers and minor tributaries to Lake St. Clair, the Detroit River and Lake Erie.

Notification of the public hearing has been sent to municipalities and industries in the area as well as to interested organizations.

In addition, the Commission staff has reviewed the proposed water use designations with various planning entities and civic groups in the southeastern Michigan area.

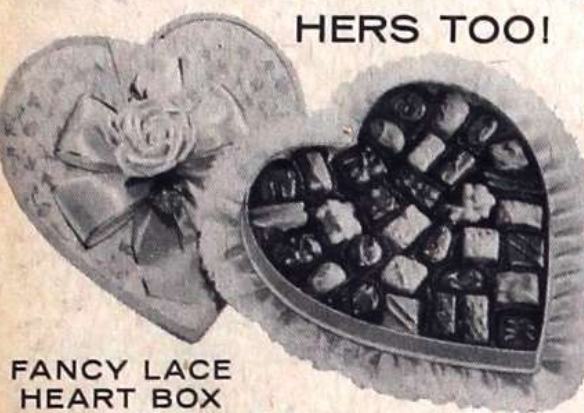

Persons attending the hearing will be given an opportunity to express their views on the Commission's proposals.

Copies of the proposed water uses to be protected and the inland water quality standards are available upon request from the Water Resources Commission office, 200 Mill Street, Lansing 48926.

Nickel silver, an alloy of nickel, copper and zinc, which for decades has been used primarily as a base for silver-plated tableware, is now used extensively in contacts and connectors for modern electronic equipment.

## Belleville To Share Added Tax

BELLEVILLE -- Michigan's more than 500 municipalities will receive an estimated \$21.3 million in additional revenue from the Motor Vehicle Highway Fund in 1969, as a result of the recently passed increases in the state gas and weight tax, the State Highway Commission reports.

The Highway Commission said the municipal share, totaling \$49.7 million in 1967, will increase to an estimated \$59.5 million in 1968, and an estimated \$71 million in 1969.

Belleville received \$16,537 in 1967, and will receive an estimated \$18,948 in 1968, and an estimated \$22,271 in 1969.

The estimates are based on predicted economic conditions and should be used with caution in preparing budgets and construction programs.

## Light Project Near End

BELLEVILLE -- The installation of four 500-watt mercury vapor exterior lights at the rear of three Van Buren Public Schools is nearing completion, James Egan, business manager, announced.

The School Board approved erection of the exterior lighting in efforts to prevent further vandalism at the three schools.

The outside light at the Denton Elementary School are completed and those going up at the Belleville Junior High School and West Willow Elementary are nearly completed, Egan said.

## TO DETERMINE NEEDS Advisory Group is Established By Huron School District Board

NEW BOSTON -- The Huron School District Board of Education established an advisory group of interested citizens to assist in the current re-registration of Huron Township voters and to determine and

make recommendations concerning the needs of the Huron School District. The Board acted following a round-table discussion with Huron teachers and Michigan Education Association representatives, Monday night, Jan. 22.

The first meeting of the advisory group was held Monday, Jan. 29 at 8:00 p.m. in the Huron Elementary School.

THE MEMBERS of the Board of Education presented a breakdown of costs in the current school year. Leo Kyko began the session with an explanation of township valuation, millage, and state aid, translated into the actual amount of dollars the school receives.

Charles Larabell showed the costs at the secondary level, and Carl Renton explained the finances of the elementary program and the administration.

Operation and maintenance of all the school facilities were discussed by Ervin Maveal and the cost of providing transportation for the children was presented by Mrs. Jean Richert.

FOLLOWING THE Board's presentations, Theodore Drengany was elected General Chairman of the group and divided the group into two sub-committees, Finance and Re-registration.

Rev. Daniel Richert is the chairman of the Re-registration committee and Mr. Rene Campeau, chairman of the Finance committee.

The members of the re-registration committee are Rev. Merle Lutz, Rev. Fr. Alexander Wyral, Ron Smith, Betty Hardt, Lois Wheeler, Melvin Laura, and Helen Kentala.

Serving on the Finance committee are Carol Lemanski, Anita Fuller, John Simonson, Vern Moore, Sven Ekman, William Balwinski, David Smith, Evaline Head, Helen Marshall, Howard Shuman, and Mr. and Mrs. Ray Miller.

The committees will meet in the Huron Elementary on the second and fourth Mondays of each month.

All interested citizens are encouraged to join them. The next meeting will be Feb. 12, at 8:00 p.m.

## AS A PUBLIC SERVICE, WE ARE OFFERING FREE SPINAL X-RAYS THE OFFERING OF FREE X-RAYS IS TO COMBAT RISING HEALTHCARE COSTS AMAZING ... but TRUE! HOW PINCHED NERVES CAN CAUSE PAIN AND DISCOMFORT ANYWHERE IN THE BODY

**THE GREAT CHIROPRACTIC DISCOVERY**  
For centuries, many scientists have recognized that the brain, through the nervous system, regulates the secretions of each gland-controls every muscle in the body-directs the function of each organ. Early surgeons learned that when they cut the supply lines of this life force, the nerves, the brain could no longer send vital nerve energy into certain affected parts of the body and the organs which were denied their supply of life force would often become diseased, function improperly and often wither and die. The great Chiropractic discovery was that these same nerves could be pinched and that the body would suffer the same general distress as if the nerves had actually been severed.

**THE ESSENCE OF LIFE - THE CAUSE OF HEALTH**  
Chiropractors have also found that the essence of life itself flows out over the nerves in the form of a dynamic, intelligent impulse that literally creates the body anew. This powerful, intelligent life supply, flowing uninterrupted throughout the nervous system, causes health to grow in the body. Chiropractors have led the way in pointing out that displacements of the vertebrae in the spine can pinch the spinal nerves or spinal cord and block or reduce the flow of this vital nerve power from the brain to the body. A pinched nerve may be likened to a crimp, pinch or blockage in a garden hose. The harder the pinch or crimp, the less water flows through the hose. When a nerve is pinched, the vital flow of nerve energy from the brain to the body is restricted. Thus the cells, tissues and organs suffer.

**CHIROPRACTIC SPECIALTY**  
Chiropractic practices as its specialty the detection, location and correction of spinal displacements that impinge, or pinch, the nerves that carry the life energy supply from the brain to the organs of the body.

**NATURAL DANGER SIGNAL**  
Pain is usually a natural condition resulting from pinched nerves. It is the body's way of letting us know that all is not well. Pain is the signal that there is a roadblock somewhere between the brain and the body-a restriction in the flow of the vital life force that is required for all parts of the body to function normally.

**PAIN... THE MOST COMMON AILMENT**  
Pain is the most common ailment that arises from a pinched nerve-pain at the point where the nerve is pinched and pain in the part of the body that is served by the pinched nerve. Quite often a nerve, pinched by a spinal displacement in the neck can cause pain in the shoulders, arms, chest and back. A pinched nerve in the lower spine can, and often does, cause pain in the stomach, intestines, back and legs. Not only pain, but disease conditions can easily develop in the kidneys, bladder, liver, lungs, heart and other vital organs when the spinal cord or one of the spinal nerves is pinched.

**MODERN WAY TO RELIEF**  
The modern way to find relief from pain, disease conditions and other health problems is to first check with your chiropractor. He is an expert in his work. His profession has, from its very beginning, advocated spinal adjustments for the restoration of powerful nerve energy. His methods are the most advanced of all the healing arts known to man. If you are ever in question as to your health, seek the proper health service first - Chiropractic.

Most children's ailments respond very quickly to Chiropractic adjustments.

**CHIROPRACTIC ADJUSTMENTS GIVE FAST, SAFE, MOST EFFECTIVE RELIEF**

# Double Ring Vows Exchanged In St. Aloysius Ceremony

\* ROMULUS COUPLE WED \*

The marriage of Sherilyn Gale Lewkowicz and Alan J. Satterlee was solemnized Friday evening, January 26, at St. Aloysius Catholic Church with Fr. Joseph F. Kernosek officiating the double ring nuptials. For the occasion the altar was adorned with white carnations and gladioli and music was played and sung by Robert Michniewicz.

Some 200 close friends and relatives witnessed the ceremony which united the daughter of Mr. and Mrs. John B. Lewkowicz, of 36723 Grant road, Romulus, and the son of Mr. and Mrs. Ebert J.

Satterlee, of 28140 Ecorse road, Romulus.

APPROACHING THE sanctuary with her father, Sherilyn was gownned in a Michael Angelo original designed of Chantilly lace. The tiered skirt cascaded into a chapel train and the removable jacket featured wristpoint sleeves and a scalloped neckline.

Holding her elbow-length illusion veil was a floral head-dress of lace and peau de sole studded with seed pearls. Her bridal bouquet was comprised of white roses encircling a white orchid corsage.

The bride's sister, Stephanie Joe Lewkowicz, was maid of honor and Collette Rutyna, of E. Detroit, a cousin; Mary Lewkowicz, another sister; and Mrs. Richard Carms, the bridegroom's sister, were attendants.

Identically gownned, their pale blue frocks were in formal length with ribbon lace bodices and A-line skirts. Their head-pieces, also in light blue, were two-tiered bouffant veils secured by three rosettes. The honor maid carried a bouquet of pink carnations while the others' were in blue.

THE BRIDEGROOM masked his elder brother, Tom Satterlee, of Westland, to serve as best man. Ushers were Richard Roc-co, a cousin; Gene Brent, and Richard Carms, a brother-in-law, all from Romulus.

The bride's mother donned a two-piece coat dress in gold brocade with gold accessories. A coat-dress ensemble in green brocade with silver accessories was the choice of Mrs. Satterlee for her son's wedding. Both added miniature green orchids to their costumes.

Attending the reception which followed at the V.F.W. Hall were the bridegroom's grandmother, Mrs. Dorothy Satterlee, of Romulus, and the bride's grandparents, Mr. and Mrs. Michael Kowicz and Mrs. Stella Presher, all of E. Detroit.

Following a week-end honeymoon the newlyweds left for Marquette where Alan will complete his second semester of classes at Northern Michigan University.

## Shough-Robson Betrothal, July Altar Date Announced

Mr. and Mrs. George H. Shough, of 41420 Savage road, Belleville, announce the engagement of their daughter, Karen, to Donald Alan Robson, son of Mr. and Mrs. Robert Robson, of 9015 Haggerty road, Belleville.

Both Miss Shough and her fiancé are Belleville High School graduates. She is presently in her junior year at the University of Michigan where she is affiliated with Delta Delta Delta Sorority.

A senior at Eastern Michigan University, the prospective bridegroom is affiliated with Kappa Phi Alpha Fraternity.

A July altar date is being planned.

MISS SHOUGH

MR. AND MRS. ALAN J. SATTERLEE

## BELLEVILLE BREVITIES Motor Trips In Order With Ice & Snow Gone

By MRS. JOSEPH SPRING OX 9-4021

Mrs. S.C. Pierman and daughters, Carrietta and Faith, returned home on Monday of last week from Piqua, Ohio, where they had spent several days with the former's sister, Mrs. Joseph Allen. Another sister, Mrs. Louis Pierman, of Ottawa, Ohio, accompanied them to Piqua.

Mr. and Mrs. Clayton Saunders were Saturday evening guests of Mr. and Mrs. Eldon Maynard of River Rouge.

Mrs. William F. Demski and her daughter, Mrs. A.J. Hasse, of Dearborn, and Mrs. Herbert J. Spring of Plymouth, were Wednesday luncheon guests of Mrs. Joseph Spring, of Liberty street.

Mrs. Milton Oakley, of Bronson, was calling on Friends in

this vicinity on Thursday of last week.

Mrs. Samuel H. Robbe, of E. Huron River drive, was a luncheon guest last Thursday of relatives, Mr. and Mrs. George A. Lindsay, of Ann Arbor.

Mr. and Mrs. Everett Soop, of Ann Arbor, were Sunday afternoon callers on their cousin, Miss Inez Ruthuff. Other callers were Mrs. Ray Richardson and Mr. and Mrs. Elden Biery, of Northville.

Last Thursday evening Muriel Bearance, Velma Kulzer, Betty Parkinson, Hazel Schaal, and Bea Coy enjoyed a "pot luck" dinner with Mrs. Charles Frigard at her home on Church street.

Callers Sunday at the home of Mr. and Mrs. Clarence Carnahan, of E. Huron River drive, were the latter's brother and wife, Mr. and Mrs. Harry Sparrow, of Willis. Others who called at the Carnahan home during the week were Mrs. Millie Warblow, Velma McIntosh, Mrs. Herman Krause and daughter Marlene, all of New Boston, and Mr. and Mrs. Earl Wright, of Willis.

Mrs. James D. Smith of Fenton spent Saturday with her parents, the Robert Schaals, of W. Columbia Avenue.

Friends of Miss Marian Robb, of Ypsilanti, were sorry to hear that she is quite ill in St. Joseph Hospital, Ann Arbor.

Mrs. Orrin R. Post was a Sunday evening supper guest of the Kenneth Post family at Dearborn.

Mr. and Mrs. Lloyd Orr with their daughter, Lynn, and son Lanny, motored to Big Rapids Sunday and spent the day with their older son, Larry, who is a student at Ferris State College.

Sunday afternoon Mr. and Mrs. Clayton Saunders and his mother, Mrs. Lillian Moore, drove to Chelsea where they visited several residents at the Methodist Home and later called on a friend, Mrs. Bessie Dean, in Ann Arbor on the way home.

Hello There, Denise!

The birth of their first child, a daughter, is being announced by Mr. and Mrs. Richard Breenay, of 30710 Smith road, Romulus. The January 30 arrival at Garden City Hospital weighed in at 8 lbs. - 5 ozs. and was named Denise Lyn.

MISS WOODS

## Daughter's Betrothal Announced

The engagement of their daughter, Rosalie Imelda Woods, to Dennis Raymond Chavre is being announced by Mr. and Mrs. Archie Woods, of Schuman street, Westland.

The solemn engagement was held at St. Mary's Catholic Church, Wayne, January 21, with Fr. Raymond Sayers officiating. An open house was held after the ceremony at the Woods' home.

The bride-elect, a graduate of St. Mary's High School, is presently attending Eastern Michigan University.

Her fiancé, son of Mr. and Mrs. Raymond Chavre, of Barbara street, Livonia, graduated from U. of D. High School and is now attending Wayne State University while employed by Consumers Power, Livonia.

No definite wedding date has been set.

## WOMEN Of The MOOSE

by Louis Steger

The Women of the Moose, Belleville Chapter #1135, will hold a Hospital Chapter Nite program Monday, February 12, at the Moose Home at 8 p.m. with Chairman Julia Frost and her committee in charge.

Sunday, February 11, the Belleville Chapter has been invited to Lincoln Park Chapter for their Co-operation Day and we are asked to do the opening, so would like to see as many co-workers as possible there. The meeting will start at 2 p.m. and the Supreme Prelate from Mooseheart will be a guest of Lincoln Park Lodge that day. The meeting will be an open meeting so you can take your husband with you.

Sunday, February 25, we are invited to Dearborn Chapter for Zola Kenney Day, the College are to bring caps and gowns and act as honorary escorts to Zola Kenney, Grand Chancellor Emeritus. Meeting is at 2 p.m.

Wednesday, February 7, will be joint officers meeting at the Moose Home.

The Child Care Committee with Chairman Theresa Wegienka put on a lovely turkey dinner for the Loyal Order Enrollment Saturday, January 27.

At this time Collegian Helen Jacobs is in the Beyer Hospital, Room 217.

Don't forget our meeting Monday, February 12, hope to see a lot of you co-workers at the meeting.

With UNICEF's help, the death rate due to malaria among children has been lowered from 3.5 million in the fifties to less than one million per year.

MISS LADA

## Seniors At E.M.U. Plan June Vows

A June 28 wedding date has been selected by Simonne Marie Lada whose engagement to Richard John Grzesik is announced by Mr. and Mrs. Paul Lada, of Wayne.

A 1964 graduate of St. Mary High School, Miss Lada is attending Eastern Michigan University where she is a senior speech major.

The prospective bridegroom, son of Mr. and Mrs. Chester Grzesik, of Ecorse road, Belleville, graduated from Belleville High School. He is currently a senior in music education at E.M.U., where he is affiliated with Kappa Kappa Psi, honorary band fraternity.

Both Miss Lada and her fiancé will graduate in June.

## CANDLELIGHT CEREMONY

# Harris-Walden Nuptials Followed By Florida Trip

Linda Kay Walden, daughter of Mr. and Mrs. Manuel Walden, of 23650 Elwell road, Belleville, became the bride of Leslie D. Harris, son of Mr. and Mrs. Frank Harris, of 23355 Haggerty road, Belleville, January 27. The six o'clock ceremony at St. Anthony's Catholic Church was performed by Fr. Richard C. Welsh before a candlelight altar appointed with white gladioli and chrysanthemums.

Escorted to the sanctuary by her father, Linda spoke her double ring vows in a traditional white gown of Chantilly lace. Styled with a bouffant skirt made of tiers of ruffles which drifted into a chapel train, her dress featured a Sabrina neckline enhanced with sequins and pearls.

A lace petaled headpiece shimmering with crystals and pearls clasped her bouffant veil which was cut in mid-back length. Cascading white roses and carnations completed her ensemble.

THE MAID of honor, Sandra Demski, of Belleville, appeared in a formal gown of radiant turquoise fashioned with a softly gathered skirt. The high-rise bodice traced in satin was designed with a bateau neckline and long sleeves.

A bow in matching satin secured the bouffant veil which she wore and white carnations with floor-length satin streamers completed her costume.

In frocks of fiesta rose, identical to the honor attendant's, were the three bridesmaids, Chris Gula and Jo Anne Moody, both of Belleville, and Mrs. Frieda Roman, of Ann Arbor.

Brenda Moore, six, was escorted up the aisle by her twin brother, Brett, for her role as flowergirl. Her white nylon and lace gown was in the bouffant mode with long sleeves and a fitted waistline and her headpiece was similar to the senior attendants'. The fireside basket she carried was filled with white carnations.

Nine-year old Gary Komora served as ringbearer.

THE BRIDEGROOM chose a close friend, Keith Dunford, of Belleville, to be best man. Ushers were Ronald Fondaw, of Belleville; Ronald Roman, of Ann Arbor; and Daniel Dunford, of Belleville. Guests were shown to their seats by David Walden, the bride's brother; Robert Moore, and Mike Melton.

The P.N.A. Hall was the setting for the reception which followed. The 270 guests were greeted by Mrs. Walden in a blue lace frock and corsage of blue-trimmed white carnations. For her son's wedding Mrs. Harris donned a green lace dress accented by white carnations tipped in green.

Boynton Beach, Florida was the honeymoon destination for the newlyweds who, on their return, will make their home on Haggerty road, Belleville.

Both graduated from Belleville High School, he in 1964 and she in 1967. The bridegroom received his discharge from the U. S. Army in January after two years service. He is now employed by the Ford Motor Company at Ypsilanti.

## St. Patrick's Day Dance Announced

BELLEVILLE -- The Belleville Conservation Association, the newly formed Rod and Gun club of Belleville, is sponsoring a St. Patrick's Day dance Saturday, March 16.

The festivities will begin at 9 p.m., at the V.F.W. Post in Belleville.

Included in the evening's festivities will be free refreshments, a buffet style lunch and a variety of door prizes which have been donated by the merchants of Belleville.

Tickets for the dance can be purchased from either members of the association or at the door. The dance should prove to be a very enjoyable evening -- so make plans now to attend.

MRS. LESLIE D. HARRIS

## IT'S A DATE

BELLEVILLE -- The John M. Wahl Women's Relief Corps #87 will meet Wednesday (tonight) Feb. 7, at 6:30 p.m. in the Oddfellow Temple (above the Municipal Building in Belleville.) Six new members will be inducted.

NEW BOSTON -- A Father-Son Banquet will be held Thursday, Feb. 15, at St. Paul's Lutheran Church. Sponsored by the Ladies Aid Society, the 6:30 p.m. event will be \$2 for adults and \$1 for children. Entertainment will be provided.

WALTZ -- A card party will be given by the Ladies Aid of St. John's Lutheran Church, in Waltz, Feb. 16 at 7:45 p.m. Progressive euchre will be played along with individual card games. A \$1 donation will include lunch and prizes. The party will take place in the Church Hall. The public is welcome.

ROMULUS -- The regular Cub Scout Pack meeting for Troop #772 will be held at the Romulus Elementary School Wednesday, Feb. 14, at 7:30 p.m. Come, have fun, and bring a new friend and your parents. Boys 8 to 11 are welcome to join.

BELLEVILLE -- Belleville Chapter No. 73, O.E.S., will sponsor a bake sale at Dancer's Store Friday, Feb. 9, from 10 a.m. to 7 p.m.

YPSILANTI -- The Alumni Association of Lincoln School will sponsor a Community Lincoln Birthday Party Saturday, Feb. 10, from 8 to 12 p.m. in the high school cafeteria. Table games, dancing, and records will be included along with David Williams as emcee and instructor for dances dating back to the days of Lincoln.

BELLEVILLE -- A Valentine Card Party will take place Wednesday, Feb. 14, at 7:30 p.m. in the Oddfellow Temple, Belleville. Sponsored by the John M. Wahl Women's Relief Corps #87, the evening will include table and door prizes and refreshments. Tickets are \$1.25.

## Rinaldis Announce

### Birth Of A Son

Mr. and Mrs. Russell Anthony Rinaldi, of 1737 Grove Street, National City, Calif., are announcing the birth of their first child, an eight pound eight ounce boy Tuesday, January 23, at Balboa Naval Hospital, San Diego, California.

The new arrival, named Russell Anthony II, is the son of the former Anita Joyce Farsakian and the grandson of Mr. and Mrs. Takvor Farsakian, 19805 Savage road, Belleville, and Mr. and Mrs. Ernest James Rinaldi, Sr., 26108 Gary Street, Taylor.

The new father is currently with the U.S. Navy serving aboard the U.S.S. Jason (AR-8).

The nurses, midwives, pediatricians, school teachers, etc. trained with the help of UNICEF would fill 9,000 classrooms holding 25 students each.

FERRIBY-PECHETTE

# Junior High Teachers Wed In Detroit Church

Precious Blood Catholic Church, in Detroit, was reserved February 2, for the nuptial mass which united Jerilyn A. Pechette and Wayne S. Ferriby in holy matrimony.

The daughter of Mr. and Mrs. Peter H. Pechette, of Detroit, the bride approached the altar with her father in a formal A-line gown of white velvet with the rolled neckline and cuffs trimmed in white mink. A mink pillbox crown held her shoulder-length veil of silk illusion and she held a bouquet of white orchids and stephanotis accented by trailing ivy.

BRIDAL ATTENDANTS were Sandra Teall, of Detroit, maid of honor; and Mrs. James Simons, of Mason, and Nancy King, of Bradford, Massachusetts, friends of the bride. They appeared in aqua velvet toe-touching frocks styled along empire lines with white mari-bou accenting the waistlines.

Dressed in a junior version of the bridesmaids' gowns was Susan Pechette, of Kinde, the bride's cousin, who served as flowergirl.

Ringbearer was Robn Ferriby, the bridegroom's nephew. Ivan Ferriby, Jr., was asked to be best man at his brother's wedding. Others on the esquire side were Kenneth, John, and Peter Pechette, Jr., brothers of the bride; and Dale Ferriby, another of the bridegroom's brothers.

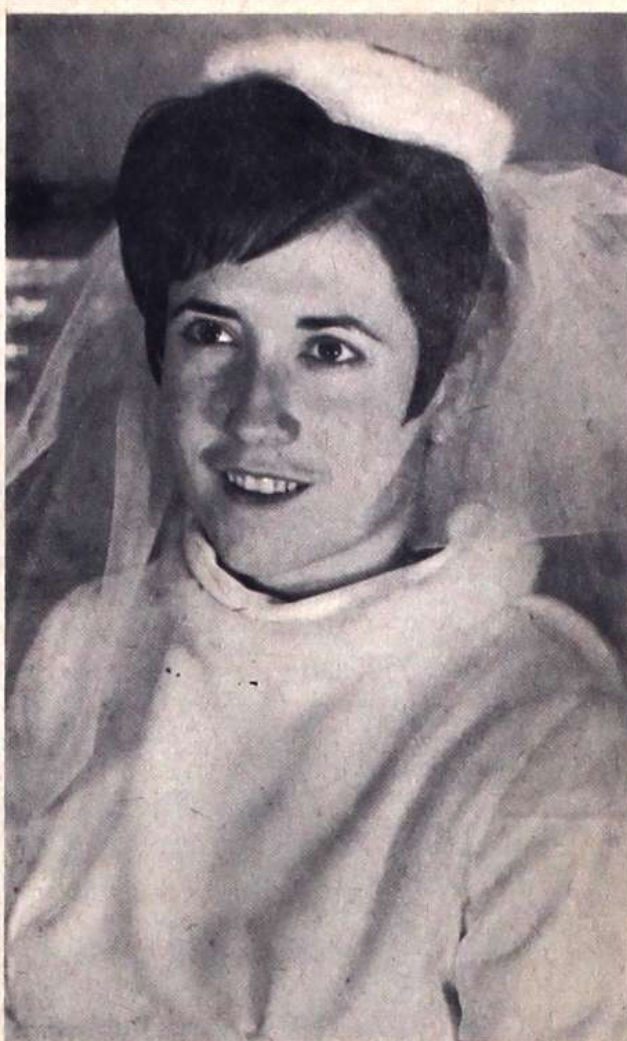

For her daughter's wedding Mrs. Pechette donned a dress of hot-pink crepe trimmed with sequins and accessorized in gold. Mrs. Ferriby chose an A-line blue silk dress with sequin accents and accessories in silver and blue.

SOME 200 FRIENDS and relatives gathered at the Danish Hall, in Detroit, for the reception which followed.

The bride, a graduate of Central Michigan University, is employed with the Van Buren School System as Instructional Materials Director at Belleville Junior High School.

Her new husband, the son of Mr. and Mrs. Ivan Ferriby, Sr., of Dearborn, graduated from Eastern Michigan University. He, too, is on the Van Buren Schools staff teaching math and science at the Junior High.

The couple will make their new home in Belleville.

MRS. WAYNE S. FERRIBY

## ROMULUS PERSONALS

# Three Baby Boys Added To Local Family Trees

By PEARL MORRIS  
WH 1-1187

The annual custom of holding pot luck suppers and services during Lent will be in effect again this year at both the Romulus and New Boston Methodist Churches, it has been announced by the pastor of the two parishes, Rev. Fran Leineke. The schedule will be as follows: February 29 (Thursday) pot luck supper and services at Romulus; March 12, at Romulus; March 21, at New Boston; March 26, at Romulus; April 4, at New Boston. Dr. Gene Bartlett, President of Colgate School of Religion, will speak at the first of the Lenten Services, on February 29.

A baby boy weighing 8 pounds, 8 ounces was born Friday morning, February 2, at Beyer Hospital, to Mr. and Mrs. Donald Gerald (Jerry) Herrmann, of Ypsilanti. The infant was named "Donald Geff." He is the couple's first child; also the first grandchild of Mr. and Mrs. Frederick W. Hay, of Romulus, and Mr. and Mrs. Donald G. Herrmann, of New Boston. The new mother is the former Margie R. Hay.

Mr. and Mrs. Palmer Keathley, of 16349 Hollywood, Romulus, are the parents of a 9 pound, 9 ounce son "Eric Lee" born January 26 at Riverside Osteopathic Hospital, Trenton. The couple have two other sons, Ted, almost five, and Scott, 3 years old. Mrs. Keathley is the former Nancy Patton, of Romulus.

Mr. and Mrs. Tommy Laine, now of Hubbard street, Garden City, are building a brick, ranch-type home at 15364 Hagerly road and hope to move in some time in March. The couple have two sons, Tommy, 9, and Jimmy, almost 6 years old. Mrs. Laine is the former Janice Mink, of Romulus.

A baby boy was born January 6 to Mr. and Mrs. L. G.

Thorold of 37101 Neville street at Ford Hospital, Detroit. The infant weighed 9 pounds, 8-1/2 ounces and was named "Jeffrey Gordon." He is the couple's first child. Mrs. Thorold is the former Andrea Laverack, of Grant road.

Mr. and Mrs. Carl Morris of Huron River drive South returned home early Sunday morning from a week's vacation trip to Florida. The couple spent some time in Miami; also visited an aunt and uncle, Mr. and Mrs. Harold Morris, and other relatives at Bradenton and with cousins, Mr. and Mrs. Wallace Bonneau and family, at Margate, Florida. The Morrises planned to leave Metro Airport last Sunday night but were delayed until 10 a.m. Monday morning because of the dense fog.

Mr. and Mrs. Albert Leach, Jr., and two children, of Bibbins street, are vacationing in Florida at this time and visiting Mrs. Leach's mother, Mrs.

Irene Taylor, at Clearwater.

Mrs. Anna Mick, of Wahrman road, underwent surgery at Annapolis Hospital, Wayne last Wednesday. She is reported doing as well as can be expected and will probably come home this week.

Albert Wahrman, of Wahrman road, and his son and son-in-law, Donald Wahrman and Albert Charlet, both of Farmington, attended the Boat Show at the Armory in Detroit last Thursday evening.

Two school friends, Carla Hay and Nancy Verduco, helped Marvel McIntosh celebrate her twelfth birthday Sunday afternoon. The girls surprised Marvel by decorating her room with balloons and hearts and presenting her with gifts. Later they attended movies together, accompanied by the honoree's younger brother and sister. Marvel is the daughter of the Marvin McIntoshes, of Walnut drive.

Saturday evening Mr. and Mrs. R. R. Huff, of Lincoln Park, were dinner guests at the Albert Wahrman home, on Wahrman road. The two couples are friends.

There will be a Southwest District leader meeting at New Boston Elementary School, 8 p.m. Wednesday, February 7. 4-H Junior Leaders of Wayne County will meet February 12 at 8 p.m. at the 4-H Fairgrounds near Belleville.

MISS HUTCHERSON

## August Planned Wedding

An August wedding is being planned by Barbara J. Hutcherson, of Romulus, and William H. Nye, of Westland. Their betrothal is announced by the bride-elect's parents, Mr. and Mrs. Thomas E. Hutcherson, of 35610 Mary street, Romulus.

Miss Hutcherson is a 1967 graduate of Romulus High School.

The prospective bridegroom, son of Mr. and Mrs. James H. Nye, of 164 N. Linville, Westland, attended John Glenn High School and is presently employed by Kennedy's Contractors Company.

Women's Page Deadline  
Noon Monday

MISS EGGERS

## Eggers-Hogan Engagement Announced

The engagement of their daughter, Linda Rae Eggers, to Victor Alfred Hogan is announced by Mr. and Mrs. Raymond Eggers, of 18282 Martinsville road, Belleville. A 1966 graduate of Belleville High School, Miss Eggers is currently employed at Michigan Bell Telephone, in Plymouth. Her fiancé, son of Mr. and Mrs. Joseph Hogan, of 46200 Hull road, Belleville, graduated from Belleville High in 1963. He earned his BA degree in Science at the University of Michigan in 1967 and is currently attending graduate school at Eastern Michigan. A wedding date has not been set.

# All Around The Town . . . with Lee

## HOME FROM CENTRAL AMERICA

THE EARL THREADGOULDS and their daughter, Linda, of 46454 Michigan avenue, are back to winter coats and boots and unpredictable elements after two and a half weeks of "wonderful weather -- warm days and cool nights" in El Salvador, Central America. The chief reason for their trip -- their son and brother, Earl Threadgould, who is with the Peace Corps' Agriculture Department working with the young people in the rural area of Chalchuapa, a city of 17,000 persons, some 50 miles from San Salvador, the capitol.

Because their arrival had coincided with the end of the rainy season, the countryside was bursting with the colorful blooms of trees, bushes and flowers. One tree, the "Flamboyant", a tall bushy growth, stood out with its brilliant red blossoms as did the climbing "Bougainvillea" in its shades of red, violet, and salmon. The sides of hills were carpeted with pink flowered trees which look much like our red bud tree in springtime.

For seven days the trio made their headquarters in Chalchuapa following Earl's daily routine such as hiking two and a half miles out country to visit families of 4-C Club members -- it being quite common for Earl to walk back and forth in just 20 to 30 minutes. During their treks they observed the natives in their regular routines of washing clothes in the river and drying them on rocks; met people going to market -- the women and children balancing produce-laden baskets atop their heads; and saw men returning from cutting corn or cleaning away brush with their machettas in hand.

Earl's section of the country was just ending the coffee harvest for which schools are dismissed from late October to the first of February so entire families could take part in the harvest.

Liebes and Company, a coffee beneficio plant founded in 1888 for the purchase and export of coffee, was among the highlights of their visit. They viewed the entire procedure of readying coffee for the market for which local girls are paid about 16¢ an hour (in our money).

"The people," Mrs. Threadgould says, "are wonderful, happy, polite people. We were always shaking hands."

During their stay in Chalchuapa the Threadgoulds stayed at the Comedor Berta where the proprietor and her children helped them with their Spanish and they, in turn, taught them English.

Leaving their newly-made friends the foursome traveled to Guatemala where they took in the Shrine of the Black Christ

in Antigua and the market place in the capitol to name just two of many, many activities.

Continuing on to Mexico City they toured the University where they saw preparations being made for the fall Olympics; attended the Folklorico Ballet; witnessed a bullfight; and visited the Floating Gardens at Lake Xochimilco.

Joining them in Mexico City for the trip home was Mrs. Elwood McCaig, of New Boston, who'd also gone to visit peace Corps workers, Le Roy and Hazel Mayberry, her son-in-law and daughter, who are near San Vincenti -- a different section of the country.

All too soon it was over with the localites returning home and Earl, Jr., going back to take up a new project in El Salvador. . . working closer with the Agriculture Department taking slides of better farming and health procedures which will be filmed and distributed among local rural people.

## SURPRISE!

ELAINE STABNAU was the surprised guest of honor January 27, at a birthday party planned by her husband, Harvey, (he of the local Sinclair station). Friends and relatives in on the hush-hush arrangements were Elaine's parents, the William Grams; Jim and Eileen Graham, Gay and Sue Gowen, Ed and Mary Anne Hudge, Spade and Mary Ruth Hall, Roy and Janet Stabnau; Ray and Carley O'Neil, Bill and Flo Hudge (she made the birthday cake), and Stella Pollock and her son, Art. The social evening included a buffet lunch.

## GOLFER'S OUTING

FEBRUARY AND MAY seem like an odd time for a 'golfer's outing' but this one was strictly off the fairway and away from the greens -- at the 'Camelot Room' of Inn America, to be exact.

This particular group -- 10 duffers in all -- who golf together when time permits, formed an off-the-cuff club which was notorious for its fines. There were penalties for just about everything (being late, throwing clubs, swearing, etc.) which went into a special 'kitty' which footed the dinner bill for eight couples Saturday night.

Meeting at the Clyde Batzer's Clarence street home and then driving onto Ann Arbor were the Gary Grays, of Juniper drive; the Sam La Prestos, of Ann Arbor; the Bill Hedges, of S. Biggs street; the Tom Hopkas, of Ecorse road; the Ed Hedges, of Haggerty road; and the Bert Smiths, of Edison Lake road. Joining them at the Inn were the Harry Hidenfelters, of Wilson road, who'd taken in a Belleville High swim meet earlier in the evening.

Musical entertainment during dinner included a special dedication to Tom and Betty Hopka who marked their silver wedding anniversary January 16.

## RECEIVES DEGREE

ANTHONY VILLA, son of the Samuel Villas, of 44666 Harris road, Belleville, graduated January 26, from the Detroit Institute of Technology where he earned a B.S. degree in Civil Engineering. A graduate of Belleville High, he is now with the Askenazy Construction Company of Detroit.

A dinner party at the Villahome marked the special occasion with some 15 to 20 friends and relatives attending.

## HERE 'N THERE

MRS. JOHN GASDLO (Helen) was able to leave Riverside Hospital in Trenton last week after a stay of some 15 days. She went to the home of her daughter and son-in-law, Sally and Al Kormos, of Willis road, who cared for her during her convalescence. . . ROLAND SAMSON (better known as 'Rod') is a patient at St. Joe's Hospital where he was admitted two weeks ago after a coronary attack. AT THE Statler-Hilton Friday evening for a black tie dinner-dance were the Leonard Daymons, of Harris road, and their guests, the Bill Hedges, of S. Biggs street. The occasion was the 58th Annual Banquet of the Michigan Aeronautics and Space Association for which the Honorable Harold Brown, Secretary of the U.S. Air Force, was the keynote speaker. Also attending from Belleville were John and Marge Roberts, of Lakepointe Pass, who were among the party of 18 at the Lloyd Zantop table. . . THE HAMILTONS -- Lynne and Lois -- are back to the old routine (he at Hamilton Hardware and she at the Hamilton household on E. Huron River drive) after five days in warm, sunny Florida. They made the trip down by motor and returned via the airlines after being detained in Orlando for an extra day due to dense fog. . . IN FROM just the opposite elements -- snow-covered slopes at Aspen, Colorado -- are the Norman Dietrichs and their daughter, Debbie, of Elleen street, in West Willow. Accompanying them on their plane trip and enjoying six solid days of skiing were two of Debbie's friends from West Willow School -- Suzanne De Venny and Barb Hiedemann -- and a neighbor, Barb Babut, a freshman at Belleville High. With their quarters at the Alpine Lodge, the group enjoyed lessons from a Swedish instructor and the hospitality of their host, Hans Reiger, who's from Garmisch, Germany.

MRS. JAMES F. WOOD, II

# Karen Harden Bride Of James F. Wood

A week-long honeymoon in the New England States followed the wedding of Karen Rose Harden and James F. Wood, II, both of Belleville. Their double ring nuptial vows were heard by the Rev. Kinniman Crawford in a six-thirty o'clock ceremony at the Grace Baptist Church.

The daughter of Mr. and Mrs. Kenneth Harden, of 14183 Shelton road, Belleville, Karen walked up the aisle with her father in a Spanish mode creation of white lace with seed pearls and rhinestones frosting the scalloped neckline and hem.

A Spanish mantilla in matching lace drifted to floor length and she carried cascading white rosebuds centered with a detachable white orchid.

While her new husband completes his basic training at Fort Knox, Kentucky, Karen will make her home with her parents. She is an employee of the A & P Food Store in Ann Arbor. Both are graduates of Belleville High School and prior to entering the service, the bridegroom was also an A & P employee, but in Belleville.

Wearing identical ensembles in rainbow hues were the bridegroom's two sisters, Mrs. Lois Warsop, in lafesta, and Wendy Woods, in turquoise; Linda Harden, the bride's cousin from Carleton, in gold; and junior bridesmaids, Sarah Elliott, of Pinckney, in pale pink; and Becky Bostick, of Livonia, niece of the bridegroom, in pale blue.

Six-year old Amy Bostick, daughter of the Clint Bosticks, of Livonia, was flowergirl at her uncle's wedding wearing a coral miniature of the senior attendants' frocks. Coral tipped carnations filled the basket she carried. Ringbearer was eight-year

## Bassinets Bulletins

Mr. and Mrs. Ernest Terry, of 49780 Martz road, Belleville, have a new daughter born Jan. 31 at Beyer Hospital. Her birth weight was recorded at 9 lbs. - 11 ozs.

A daughter, weighing 6 lbs. - 12-1/2 ozs., arrived at Beyer Hospital Jan. 31 for Mr. and Mrs. Stanley Combs, of 10240 Buntion road, Willis.

Their first son, a son weighing 8 lbs. - 8 ozs., was born Feb. 2 to Mr. and Mrs. Jerry Herrmann, of Ypsilanti. He arrived at Beyer Hospital and was named Donald Geoff. The new mother is the former Margie Hay, daughter of the Frederick W. Hays, of Romulus.

Eric Lee, is the name chosen by Mr. and Mrs. Palmer Keathley, of 16349 Hollywood, Romulus, for their new son born Jan. 26 at Riverside Hospital, Trenton. Their third son, he weighed 9 lbs. - 9 ozs. Mrs. Keathley is the former Nancy Patton.

It was a boy Jan. 6 for Mr. and Mrs. L. G. Thorold, of 37101 Neville street, Romulus. Born at Henry Ford Hospital, Detroit, the 9 lb. - 8-1/2 oz. baby was named Jeffrey Gordon. The new mother's mother is the former Andrea Laverack, of Grant road.

Model Car Contest Winners Listed

MODEL CAR WINNERS--Top winners of the recent model car contest at the Belleville Junior High School take time out for picture taking. Left to right are Richard Kiesel and Gordon Davis, teachers; Jim Oltersdorf, fourth place winner; Randy Kenyon, sixth place winner; Tony Ellis, third place winner; Ed Mahan, fifth place winner; Mark Kosin, second place winner; Don F. White, school principal; Jeff King, first place winner; and James Powell, teacher.

THE TOP SIX CARS of the 20 entries in the All-School Model Car Contest held at Belleville Junior High School under the direction of the Industrial Arts Department are shown above. The winners received prizes, five of which were donated by Stech's Sport Shop, Belleville. First Place winner's prize was purchased from entry fees. Twelve teachers volunteered to serve as a selection Committee.

BELLEVILLE -- The six top winners of an All-School Model Car Contest held at Belleville Junior High School were announced last week.

The contest was under the direction of the Industrial Arts Department's Teacher Advisory Staff: Richard Kiesel, James Powell and Gordon Davis. Twelve teachers volunteered to select the 20 top winners from those submitted in the contest by students.

The six winners who were awarded prizes are: Jeff King, first place; Mark Kosin, second place; Tony Ellis, third place; Jim Oltersdorf, fourth place; Ed Mahan, fifth place; and Randy Kenyon, sixth place.

FIVE OF the prizes presented the winners were donated by the Stech's Sport Shop, Belleville. First place prize was purchased from entry fees.

The final judging was conducted by School Principal, Don F. White; Assistant Principal, James Campbell; Pete Gates, professional drag racer and

winner of the 1966 Dayton Permatex "300"; James Mason, Mrs. Deann Zagula of Stech's Sport Shop; and Mrs. Mary Kosin, a parent.

Judging for the contest was based on four points of assembly: Overall Appearance, Interior, Exterior and Undercarriage.

The Student Committee for the contest was composed of students: Mike Garland, Keith Gattis, Gary Krajewski, Kim Flannery, Bob Alford and Mark Kosin, who was chairman.

THE BALANCE of the 20 winners were: Brad Rockwell, Rod Patrick, Bill Meyer, Mike Bullard, Don Harris, Robert Dearing, Tom Griffin, Mary Kosin, Greg Gliha, Mike Anderson, Ron Haynes, Steve Bullard, Chris Lauber and Dave Hall.

The Industrial Arts Department staff stated that enthusiasm for the contests and competition was keen. The experience was very good for the school, they said.

The Peace Corps' Mayberrys Visited In El Salvador

By MRS. WILLIAM HAVENSTEIN 753-3801

Mrs. Ellwood McCualg, of Vining road, recently returned home after a trip to El Salvador, in Central America, where she visited her daughter and son-in-law, Hazel and LeRoy Mayberry who are serving in the Peace Corps.

She spent 12 days touring the area where Hazel and LeRoy work, as well as the surrounding area. Highlighting the trip were visits to parks, markets, viewing volcanoes, and the ruins of an ancient Aztec Indian Community. The many kinds of fruits and vegetables, uncommon to this country, were also fascinating.

The people of El Salvador were very cordial and pleased

to have a visitor from the United States. They were most cooperative when asked to pose for the camera, enabling their guest to take many interesting pictures.

Mrs. McCualg particularly enjoyed seeing her daughter and son-in-law who have been in El Salvador since November of 1966.

Hazel graduated from Huron High School in 1961. Her husband is from West Branch, Michigan.

After leaving El Salvador, Mrs. McCualg spent several days touring Mexico.

Don't forget to attend the Huron High School Seniors' Spaghetti Supper Wednesday, February 14. It's a fine opportunity to eat out and also help the seniors raise funds for their class trip. The supper

will be served from 5:30 p.m. until 7:30 p.m.

Charles Coe, of Middlebelt road, is a patient in Wayne County General Hospital where he was admitted Thursday, February 1. At this time he is making a satisfactory recovery from pneumonia.

It isn't too early to get your tickets for the Valentine's Day Dance which will be sponsored by the Huron Township Jaycees February 17 at the Wayne County Sportsman's Hall.

An enjoyable evening is promised to all who attend the combined dance and Membership Night activities. Tickets are available from any Jaycee member.

Mrs. Ellen Weaver, Huron

High Counselor, will host the February 14 meeting of the Huron Township Health Committee, which will be held at 1 p.m. in the high school conference room.

Mrs. Rose Larabell, chairman, announces the appointment of Mrs. Rita Pagnucco, of Inkster road, as publicity chairman for the Girl Scout Neighborhood Association. The appointment was made at the January 30 meeting which was held at the Waltz Fire Hall.

Joseph Balog, president of the Wayne County Rural Taxpayers Association, announces a meeting to be held Monday, February

12, at 8 p.m. in the Waltz Fire Hall. It is hoped the meeting will be better attended than others have been in the past. Come and support this group who is working for the benefit of the taxpayer.

For those interested in basketball, Huron's Chiefs, with a fine record this year, will play two consecutive home games beginning February 9. Erie Mason from the Monroe area will travel here for a game beginning at 8 p.m. Then on Tuesday, February 13, Summerfield comes in for an encounter with our boys. This game will also begin at 8 p.m. Preceding the varsity games

Huron's junior varsity plays opposition junior varsity teams with their games beginning at 6:30 p.m.

Senior Club Hears Local Fire Chief

BELLEVILLE -- Belleville City Fire Chief Robert Mason presented the Belleville Area Senior Citizens Club members an inside picture of what a volunteer fire department can do and the support it can give to a community at the club's recent meeting.

A film reenacting the Chicago

fire of 1871, when O'Leary's cow kicked over a lantern, was shown to bring back an historical happening in our country's history. Walter Cronkite was the narrator in the film which was a part of the TV series "You Were There," was also shown.

Preceding the program, the Senior Citizens had the pleasure of being served their refreshments by the Girl Scout Troop of the Edgemont School. "Thank you girls for a fine job" was the feeling of the club for their helping hand.

A lovely Valentine Birthday cake was cut in celebrating February birthdays of Bernice Loken, Frank Webber, Marion Hartwick and Katharine Hovey. Celebrating wedding anniversaries this month are Willis and Edna Moser, 51 Bedell Street and Martin and Dorothy Elliott, 48620 Martz Road.

NEW MEMBERS in the Club include: Hazel Bryan, 128 W. Wabash Street, Katharine Ho-

vey, 44325 Expressway; Clarence and Hazel Bohl, 10401 Belleville Road; Cary and Doris Smith, 43303 Tyler Road; Rhea Sobolewski, 220 Columbia Avenue; Dale Hilkey, 47970 Hull Road; and Eleanor Holmes and Erma Holley, 42901 Tyler Road, Richard Coffelt, director, reported.

The Senior Citizens wish to thank the Belleville Rotary Club for their contribution toward the transportation cost of a trip the members will take to Battle Creek to tour the Kellogg Company. This trip is planned for Friday, Feb. 16, with departure from the Belleville Methodist Church at 9 a.m. by Metro Bus.

For information and reservations contact Nellie Van Wormer. Eleven Belleville members had the pleasure of going with the Ypsilanti Club to the Shrine Circus yesterday.

On the program for tomorrow evening will be Orlo Roberts speaking on The Service of a Funeral Director. A film "The Face of Lincoln" will be shown.

Not having a reason to save is one of the best reasons for starting a savings account.

Saving is in style:

More and more people are saving . . . and, not necessarily saving for a specific reason. To be sure, there are still a number of those who have a savings objective; retirement, college, or whatever. But there's a steady increase in the number of people who are saving just to have that good "money in the bank" feeling.

If you're not now putting your money in the bank, NBD can help you. Start with as little as ten dollars. Then deposit a little each week. And watch it grow. Save ten dollars each week, for example, and you will have almost \$2,300 in just four years, based on the current rate of interest.

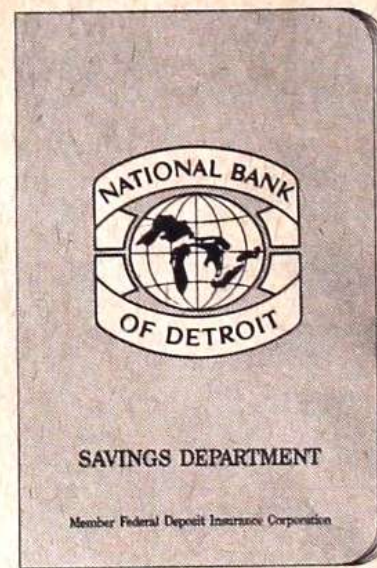

NBD has more than 95 offices. So, there's bound

to be an office near your home or work. NBD pays and compounds an annual rate of 4% interest, quarterly. This encourages you to keep your savings where they belong . . . in the bank and continuing to earn.

And you can save automatically by having money transferred into Savings from your Checking Account. You don't even have to come in to make a deposit. NBD does it for you.

Get that good savings habit, now, at Michigan's largest bank. Open your Savings Account at the nearest office of NBD. You'll find we treat your money as if our business depended on it. It does!

At the National Bank of Detroit.

If the thought of buying a new furnace bothers you, read this new Three-Step Protection Plan.

First, call Edison. We'll give you the names of electric heat contractors near you. Each has been Edison-approved as capable and reliable.

Next, the contractor will check your home, review your needs, and recommend the type of heat best for you. He will estimate both installation and operating cost and give them to you in writing. All without obligation. We'll check the quotes if you like.

Then, after your new electric heat system is installed, Edison and your contractor will make any adjustments necessary to the system if operating cost exceeds the original estimate during the first three years of use. At the end of this time, if operating cost still exceeds the estimate, and you aren't satisfied, Edison will remove the system and refund your original price.

That's our new Three-Step Protection Plan. Remember the first step. Call Edison.

EDISON

Judy Taylor has a transportation problem.

# Huron's Handicapped Students' Transportation Problems Cited

By Mrs. William Havenstein  
NEW BOSTON -- Three young people in Huron Township have been unable to attend school for some time because of a transportation problem.

These children are handicapped and must attend classes outside the district in which they live to receive the training necessary to help them become independent individuals in their adult life.

Because of her warmth of personality and enthusiasm, Judy Taylor, a bright-eyed, wide-awake teenager made many friends with the boys and girls

who now frequently inquire why she does not continue to attend the daily sessions at the Activity Center sponsored by the Easter Seal Society of Western Wayne County, Inkster.

If Judy had an opportunity to answer her fellow classmates she would probably reply that she would be only too happy to rejoin them if somebody would drive her from her home on Springhill road to the Center on Michigan avenue. The benefits this young lady received from this Center speak for themselves.

from the Cherry Hill School District transported the girls to a local super market where they did their own grocery shopping, keeping account of their purchases, and paying the cashier without any adult supervision.

Before Christmas Judy acted as hostess for the annual Christmas Sale and helped decorate an attractive center piece.

Robert, through, previous training has learned lip-reading and is able to converse with other people. He has shown a great interest and ability in art and wood-working.

How sad it would be if this boy should be further deprived of the training so necessary for his future development. His parents, who have nine other children, all in school, started his special education when he was three years of age, at the Detroit Day School for the Deaf.

Since then he has attended several schools offering classes designed for the hard of hearing.

At the present time Mr. and Mrs. Forest are unable to provide transportation to the classes in Trenton.

AN APPEAL is going out to anyone who could provide transportation for these youngsters. Classes begin at 8 a.m. and end at 3 p.m. in Trenton. At the Activity Center in Inkster class begins at 9 a.m.

and end at 3:30 p.m. and are in session Monday through Friday.

The Huron District is in a position to provide a nominal remuneration to the person giving this service.

Please, won't someone answer the plea of these young people and make available the transportation that would mean so much to them.

For further information or to offer your help you may call the office of the Huron Board of Education, (782-2461).

## "I OPENED A CHECKING ACCOUNT AT THE WAYNE BANK!"

Do the same yourself. A convenient Checking Account lets you pay all your bills by mail instead of in person. It'll help you budget too by providing you with an accurate record of what you spent and where you spent it. Your cancelled checks provide you with positive proof of payment. And, what's more, our Regular Checking Accounts require no minimum balance. Come open yours this week.

JUDY WAS so severely injured in an automobile accident several years ago that she was required to remain hospitalized for approximately one year. Last winter she was accepted at the Activity Center and quickly made friends with the other youngsters. Immediately she became an enthusiastic participant in their varied activities.

An instructor reported that Judy first spent some time learning about vocational education and practical business procedures. In sewing class, she not only made an attractive dress for herself, but also helped make dresses for a needy family.

Judy was a member of a group of girls who planned and cooked a complete dinner for the staff and students. Co-op students

### BOARD STUDIES LEVY

## Huron Residents Hear Sewer Program Report

NEW BOSTON -- A capacity crowd of Huron Township residents was presented with a progress report on the proposed Huron Township's \$4,000,000 sewer system program at last Friday's Township Board meeting.

George Angel, township supervisor, told the 75 residents that filled the Township Hall that the sewer program is proceeding along nicely and according to planned schedules. He stated that the system planned is to be designed to take care of the Township's future expansion programs.

Currently underway is a proposed \$1,500,000 bond issue to finance a water system that will bring to completion the Township's present water program. In all, both programs totaled \$5,500,000 which is to be financed by bond issues and paid off over a long period by millage.

At the hearing was Donald Welday, township attorney, and township financial consultants were present to answer questions.

Residents were permitted to make suggestions and present their opinions. Numerous ques-

tions were answered at the public meeting.

At the conclusion of the session, which was a continuation of the regular Board meeting of Feb. 2, Board members reported that they would study the suggestions and next Friday, Feb. 9, possibly render a decision on whether the millage of six to six-and-one-half be requested from township residents for bond payments, and method of assessing by foot frontage or by a flat fee on the sewer construction.

# 12 Seconds To Go -- Belleville Wins, 68-66

## Boone's 22-Foot Jump Shot Stuns Allen Park

### SUBURBAN SIX

Team	Won	Lost
Bentley	6	0
Trenton	4	2
Redford Union	3	3
Belleville	2	4
Plymouth	2	4
Allen Park	1	5

Wilson Boone's corner shot with 12 seconds remaining had previously stepped to the

against Allen Park broke the game wide open and gave Belleville a 68-66 victory which lifted the Tigers out of the Suburban Six Conference cellar Friday night.

With the score deadlocked at 46-46, coach Larry Hulce called for a time-out after Boone snared a rebound.

Allen Park's John Cadautan had previously stepped to the

foul line and sank a one-and-one to knot up the score, but then missed his second attempt. He was offered a third chance when one of the Tiger players stepped into the corridor before the ball reached the boards.

Cadautan missed the charity as Boone went up and got the rebound.

After the time out, Boone got the ball, drove into the corner and popped in a 22-footer to give his team the close victory. Belleville was flat in the first half, trailing 15-11 at the end of the first period, Allen Park, getting excellent shooting from Cadautan, increased their margin to 40-26 at halftime.

A third period rally, sparked by Norm Harrington, who pumped in nine of his 13 points in that period, and by Phil Hopkins, who slipped in six points, moved the Tigers within three points, 50-47, of tying it up at the end of the third frame.

John Yocum, one of coach Hulce's leading scorers and key to the Tiger rebound strength and Fowlkes, fouled out early in the fourth period.

Dave Ford, who replaced Yocum, proved valuable as he hit on a pair of fouls with 28 seconds remaining in the game to pull his team ahead by one point.

Then came Cadautan's free throw which knotted it up again at 66.

"The tide turned in the second half," said coach Hulce, "when we decided to go after those rebounds."

"We dominated the boards after the half and those boys who took over for Yocum and Fowlkes when they fouled out really came through for us," Hulce said.

Cadautan, who scored on ten field goals and three foul shots, for 23 points was the game's high man. Teammate Mike Ferguson supported him with a 16-point night.

Boone, beside that decisive jump shot, added six others from the field and three more from the foul line for 17, his team's high.

Hulce received double figures from Hopkins and John Gasidio who each dunked in 13, while Fowlkes finished with eight. At the foul line the Tigers utilized 16 of 23 opportunities

(continued on page 12)

DUNKS WAYNE, 55-50

## Tigers WW Swim Threat?

Bill Brandell and his Belleville tankers may not be getting anywhere in the Suburban Six Conference this season where they lost another dual league match to leaders, Allen Park, 68-37, but he and his Tigers may come back to haunt their rivals in the Western Wayne Swim Meet to be held later this month.

Belleville, after polishing off Robichaud, one of those foes in the WWSM, came up with a close 55-50 victory over Wayne Memorial, a threat to cop the title in that meet.

Getting double victories from Jeff Archer and Phil Barr, the Tigers picked up six of the 11 events.

Archer, a versatile tanker, was clocked in the winning time of 2:04.8 for the 200 yard freestyle and also won the 400 free-style with a 4:34.6 performance.

Barr emerged with both the 50 and 100 yard freestyle events, cutting the latter in 54.4 and the former in 24.6.

Brandell's medley relay team of Darwin Scott, Perry Carnahan, Pat White and Bob Cop-

pock went 2:06 flat while Sid Beavers again excelled on the diving boards.

But Wayne, which had lost out to the Tigers by a much greater margin the first time around, had the satisfaction of slashing the Belleville lead.

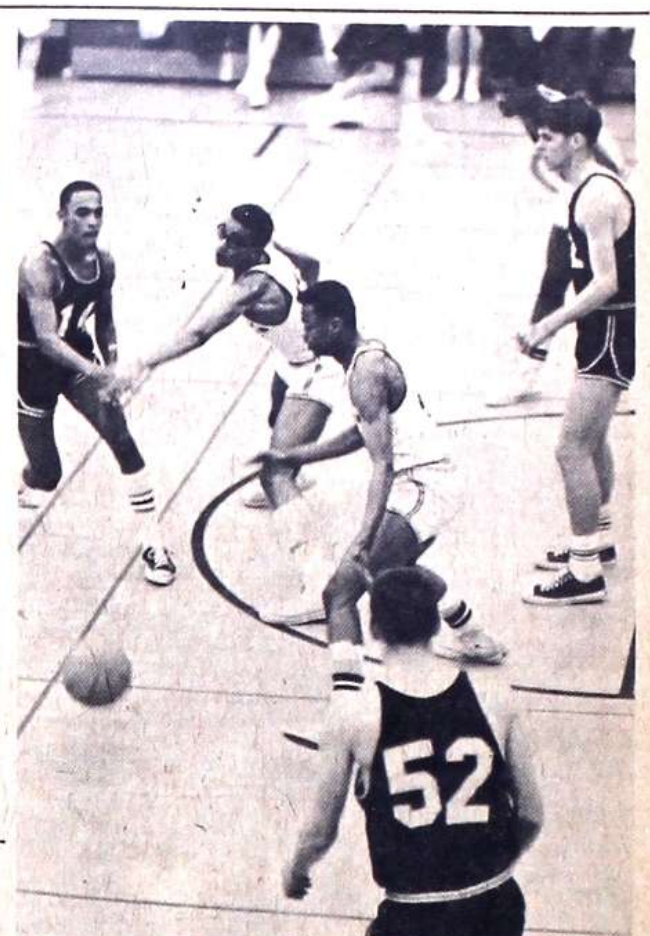

Against Allen Park, Belleville managed four of the 11 first places with Archer nipping Bob Renton's old mark in the 200 yard freestyle with a two minute effort.

Renton's record was set last season at 2:05.

Barr continued his excellent performance in the 100 and 50 freestyle. The Tiger senior claimed the 50 in 24 flat and earned the 100 on a 53.3 performance.

In the 200-yard individual medley, Scott was timed in 2:34. Belleville swims league rival, Trenton, on Friday in a 7 p.m. affair and returns to non-league waters on Tuesday (Feb. 13) when the Tigers duel Sauk Trail cellar dweller, Ypsilanti.

Both meets are in foreign waters.

ON ITS WAY--Belleville's Phil Hopkins (14) bounce passes to Norm Harrington (52) to get the ball by the eager hands of Romulus cagers (above) in last week's nonleague action which saw Romulus claim a lopsided 86-58 decision from the Tigers. And Mike Woods (54) gets in the act again (picture to the left) as he attempts to steal from Hopkins (14) who gets out of the predicament by bouncing the ball over to teammate Wilson Boone (24) in the same game.

## Shuffle in Lineup Pays Off for Duva Against Belleville

Shuffling his starting lineup in order to prepare for the second act of the dramatic Twin Valley cage show, coach Al Duva came up with a combination which turned back a slumping Belleville 86-58 earlier last week.

Romulus, which lost three crucial matches in the conference, used Nolan Street in one of the forward slots while Frank Nesbitt moved up to a starting guard position.

Street responded with a 21 point performance, getting eight of those in the first period and teaming up with Mike Harding, Larry Smith and Mike Woods to pull the Eagles out in front to a 26-11 first period lead. The Eagles maintained a steady scoring pace in the second half and turned to the locker room at intermission with a comfortable 49-24 edge.

Belleville, receiving double figures from three of its starters, rallied back to a 69-48 third period but was no match for the fast-moving, accurate shooting Eagles.

Street's 21 points, on nine field goals and three charities, held for the game's high.

Duva's four other starters were also in double figures. Woods, Romulus' defensive wizard, managed eight fielders and three more from the foul line for 19 points while Harding settled for 18 and Smith

ROMULUS - 86

## Huron Out to Spoil Mason's Title Plans

LAKE SHORE	WON	LOST
Mason	3	0
Carlson	2	1
Huron	1	2
Jefferson	0	3

One thing for sure, Huron and coach Dave Court will be out to upset Mason's designs on its second straight Lake Shore Conference title.

Huron, which won its first league game in over a decade and is rewriting the school's cage history books, will host the undefeated conference leaders Friday night in a game which should prove to be a thriller.

The Chiefs moved out of the cellar a week ago with an impressive victory over Monroe Jefferson.

Last week, all four members of the Lake Shore were inactive. "I feel our boys are ready and up for this one," said Court who is now in his second year as Huron head coach. "If we play the way these boys know how to, I'm sure we're going to cause them a lot of problems."

"It's all up to the boys. They have the talent to win," added Court.

Huron will also be at home Tuesday night when nonleague rival Summerfield is their guest.

In ninth grade cage competition, Huron won an overwhelming 71-13 decision from Carlson with Randy Gorham pumping in 16 points in the opening period and Dennis Krezimski adding 11.

## Franklin Slips By Romulus Grapplers

Franklin grapplers and coach Pete Kokenakes escaped from Romulus with a close 26-24 non-league victory as the middle of coach Jim Stallings' lineup fell apart.

Franklin was unable to produce an opponent for Greg Stephens in the 95 pound class and the Eagles also collected three more points when Louis Donald tripped up Hoeft, 8-5.

The Patriots came up with a five point victory in the 112 as Pringle managed to floor George Doyle and Epke worked Ken Welch over 4-0 to deadlock the score at 8-11.

Ralph Logan's 13-1 victory over Soskewski in the 127 again gave the Eagles the lead momentarily.

But Franklin returned to the mats to gain the next three classes, two on pins. White pinned Russell Reaume in the 133 and Phelps kayoed Melvin Cross in 3:48 in the 138 while Bob Mooradian gained a close 3-0 decision from Dave Brown in the 145.

## Belleville Overwhelms Canadian Mat Rivals

Strathroy of Canada brandished an eight-meet winning streak against Belleville grapplers and coach Jim Richendollar's Tigers snapped it, 46-7, in their first taste of international wrestling competition.

It wasn't much of a meet, however, as Belleville earned six of the matches on falls for five point victories, collected the 165-pound bout on a forfeit when Bruce Hampton was left without an opponent.

The Tigers handed over points in the 138-pound class where Steve Hampton was forced to a 3-3 tie by Frank Rastin and when Bruce Mitchell floored Mike Roberts in the 103 category.

The remaining nine classes were tucked into the Tiger winning columns.

Undeclared Brad Warrick wasted a mere 40 seconds to dispose of John Tanning in the opening 95-pound bout and Darwin Loyer pinned Al Pinheiro in 4:19 of the second period in the 112, while Phil Poet disposed of Dick Rastin in the 120 in five minutes.

Brian Phillips earned a 4-0 verdict over John Bergsma in the 127 while Doug Eye won on a 3:58 fall over Bob Gough in the 133-pound class.

With the score 25-7, Ron Held added three more points on a convincing 12-0 victory over Alex Summer in the 145, while Mark Gielinski emerged from his bout with John Vanderhook in the 154 after 1:32 with a five-point victory.

In the final two bouts, Wendell Howell pinned Roly Rollason in 3:48 while Belleville heavyweight, Ellis Shropshire, claimed a 4-0 decision over Bill Reley.

In the Suburban Six Conference, Belleville picked up its third win in five starts, pinning Allen Park with a 43-9 loss.

The Tigers go up against league defending champs, Trenton, Friday night at Trenton. The Trojans are presently undefeated in the conference.

LOCAL MEN CARRY THE MAIL--American Airlines has inaugurated Jet Air Service between Providence, Rhode Island and Detroit. Shown was a portion of Philatelic Mail on the inauguration flight (Feb. 2) are area postal staff. Left to right are Bill Hannamen, of Wayne, superintendent of the Air Mail Facility at Metro Airport; Floyd Stabnau, of Belleville, American Airlines mail expeditor; B.T. Verreau, of Detroit, assistant director of transit mails; and Bobby Newton of Ypsilanti, Stabnau's assistant.

## ROMULUS Outdoor Group Sets Meeting

(continued from page 11)

Belleville Willow Run was good for 10 of 25 attempts.

Romulus returns Ham-tramck's visit Friday night, at Rogalle's Lounge on Hag-straight victory.

BELLEVILLE -- The Belleville Conservation Association is holding its monthly meeting, Tuesday, Feb. 13, at 7:30 p.m. at Rogalle's Lounge on Hag-straight Road.

The club has invited Steve Swan, a Fisheries Biologist for the Michigan Conservation Commission as its guest speaker.

Swan's topic for discussion will be the cleaning and restocking of Belleville Lake.

This project is not one that would be nice to have done or order to accomplish. If the community is interested and willing to put forth the effort to the anglers of the area. So if you're interested in Outdoor Sports and the betterment of the sporting facilities in this area plan to attend this meeting.

This is a job that could conceivably be accomplished this year.

In addition to our guest speaker we will have a film of interest.

Each Huron Indian community had at least one council house where decisions were made regarding tribal affairs.

## NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN that the Romulus Township Planning Commission will hold a public hearing on February 28, 1968, at 8:00 P.M. Eastern Standard Time at the Township Offices, located at Goddard and Sterling, Romulus, Michigan, on the following proposed Amendment to the Zoning Ordinance:

To amend Section 12.03 (Minimum Standards and Requirements for Mobile Home and Trailer Coach Park Districts and to amend Map, being Parcel 80, consisting of 76.63 acres, being the W. 1/2, S.E. 1/4 Section 8, except that part consisting of C & O.R.R. right-of-way, from an R-1-B, Zoning District to an R-4 Zoning District for a Mobile Home Park.

This property is more commonly identified as being located on the north side of Wick Road and east of the C & O Railroad.

A copy of the Tentative Zoning Ordinance may be examined at the Township Offices during business hours from 9:00 A.M. to 4:30 P.M. on week days until date of Public Hearing.

ROMULUS TOWNSHIP PLANNING COMMISSION

Alfred J. Perry, Township Clerk

## 1968 Field Training For Air Guard is Set

BELLEVILLE -- The 1968 Field Training for The Michigan Air Guard will be held March 2 through March 16, Major Stephen J. Kuchta, base commander, announced.

The unit will be deployed to the Travis ANG Base, Savannah, Ga., training site, by military airlift. He reported.

The training requirement is being brought to the attention of unit's personnel for the following reasons:

A -- This is the first time since the Korean War that a Michigan Air Guard unit will conduct such training out of the state.

B -- About 700 officers and airmen will be involved along with 20 or so aircraft.

C -- It will be the first time that all personnel will be airlifted to the training site.

D -- There appears to be some mis-understanding among local employers and educational institutions as to the importance in cooperating by bending workloads and student schedules, Major Kuchta, disclosed.

EIGHTY PER cent of the personnel are draft obligators and are required to participate in order to maintain their present selective service classifications.

Part of the unit's mission is to be able to deploy as well as supplying photo intelligence. A successful field training requires 100 per cent attendance as well as a lot of hard work.

The unit is a Combat Beef Unit, with a C-1 (Combat 1) rating.

Cooperation and understanding by employers and educators would greatly affect the results of the training period, Major Kuchta said.

### Allen Park

### In Vietnam

ROMULUS -- Army Specialist Four Ronald A. Mitchell, 22, son of Mr. and Mrs. Price Mitchell, 11013 Delano, recently arrived near Due Pho, Vietnam, with the Americal Division's 11th Light Infantry Brigade.

Before reaching Vietnam, he received extensive jungle training in Hawaii.

## Draw-Tite Appoints Sales Head

BELLEVILLE -- Delbert "Del" Pfrommer of Ann Arbor, was appointed national sales manager for Draw-Tite Manufacturing Company, 14857 Martinsville Road, the country's foremost manufacturer of trailer hitches. The announcement was made by Harlan Whitchello, president.

Pfrommer, will be responsible for sales direction and sales staff operations. He will direct Draw-Tite participation in national marine and recreational vehicle showings.

Pfrommer had been sales representative for the Draw-Tite company in Indiana, Michigan, and Ohio. He has been associated with Draw-Tite for the past 18 years.

He is a graduate of the University of Michigan, and lives in Ann Arbor.

## Five Adult Ed Classes Open Today

ROMULUS -- Adult Education classes in the following five (5) subjects will begin at 7 p.m., Wednesday, Feb. 7, at the Romulus Senior High School, 9650 South Wayne Road.

All classes will meet at the high school. Modern mathematics students please note this change. This class had previously been scheduled for the Romulus Junior High School.

Following is a list of the five subjects and the number of the room in which each class will meet:

Sewing, Room 416; Knitting, Room 425; Cake Decorating, Room 418; Gymnastics (Women), Upstairs Gym; Modern Math, Room 217.

Interested persons who have not as yet registered may do so at the first class meeting, 7 p.m., Wednesday, Feb. 7. An \$8 registration fee is required.

For further information, call S.A. Moore, Wh 1-1600, extension 24.

# A Case For Going to Vietnam!

'It's the Satisfaction in Helping,' Says New Marine Recruiter

By ROGER TURNER  
ANP Staff Writer

WAYNE - Young men still facing a military obligation and concerned over what's really happening in Vietnam can now get the straight word on both items from a new man in Western Wayne's recruiting forces.

The man to see, as the recruiter's pitch goes, is Sgt. Dave Larson, newest member of the Marine Recruiting staff at the Post Office building in Wayne.

And he expects he'll be doing more talking than selling.

"I really don't know what kind of a recruiter I'll make," says Larson, 24, a six-year veteran of the Marine Corps and just recently returned to the States after a 23-month tour of duty in Vietnam.

"I'll try to tell people what I know," he says. "That's really all I can do."

What Larson knows and the frank matter-of-fact way in which he tells it should be plenty.

A native of Minnesota, he entered the Marine Corps when he was 18 himself. He went through the usual stateside basic and advance training programs and then went into Vietnam two years ago. He was attached to an air wing

ground support group near Chu Lai, about 20 miles south of Da Nang, and it was one of the first groups in. It helped build the airstrip there.

Larson spent 23 months and seven days in Vietnam, the final 10 months at his own request. It wasn't unique - over half of his Marine group requested extensions to stay on, he notes.

"It isn't the fighting that encourages anyone to stay," he explains. "It's the helping you can do. . . the honest goodness help that you can see done for people right before your eyes. When you get away from the bigger cities, that's a different world over there. And the things those people don't know and don't have can pain you deeply. But they are much better people than we hear about or give them credit for sometimes."

Larson worked with a program to help South Vietnamese people fight Viet Cong guerilla activity and defend their properties. He says he feels no animosity.

"The Viet Cong comes in, takes the food and children, forces others into hostile acts," he says. "It's a thing you can see and must sympathize with."

"For years the VC has bullied the people there. They do things we wouldn't believe here. But I think any of us might do strange things, too, if those nuts were starving us to death

and killing our children if we didn't.

"The people there were leery of us at first. We helped them to grow their rice, to protect it from the VC, and build homes. The people are friendly now."

"They didn't know what clean water was. We dug wells. They washed, but in dirty streams. They have very limited food; much of it is just

dog meat and there are almost as many dogs there as people. They don't know what nourishment is. The average life span is only 30 to 50 years. The people by and large are very wrinkled, feet calloused, teeth rotted away, diseased.

"One of the problems is that after you win them over, the VC puts up booby traps. Once it blew up a whole school bus full of children because some

villagers cooperated with us. But once people learn you're there to do a job of helping, they'll fight back against the VC.

"The biggest problem in talking about it is that no one can grasp how backward most of the people are. . . not in the cities, but out in the country and up in the mountains. If I had the money to show one person from over there what we have here, he wouldn't understand it. He wouldn't know what a light switch is, or a bath room, or maybe even a bed.

"But they are still ingenious people. They are thrilled by crayons and pencils. They use cans from C-rations for mirrors. They'll scrape up anything we throw away, but we frequently have to bury scraps to keep them from rotting and some farmer poisoning himself. They like C-rations but don't understand meat and potatoes. They go for meat, but want rice instead of potatoes. They don't care much for coffee. They roll their own cigarettes out of grass weed.

"For many years they raised rice and it was stolen from them. Now that we help them protect it, we even see some fat or chubby people once in a while. The kids, like everywhere, think candy and chewing

gum are the greatest thing going.

"There is lots of extension of service going on by our guys. Over here there's usually inter-service rivalry. Over there, we really work together. Almost 50 percent of my original group stayed. You can see a job being done and enjoy it. Back here there's a lot of mickey mouse with starched shirts, shaves and haircuts and you can't see anything accomplished. Over there you can."

Sgt. Larson wears the Vietnam campaign ribbon with two stars for tours of service. Sgt. Byron Trapp, another recruiter at Ann Arbor, wears the same ribbon and also wants to go back, Larson said.

The recruiting tour is a necessity for Sgt. Larson now. He and his wife Patti are expecting their first child any day now. They are making their home in Wayne.

Someday, he says, he'd like to go back. He doesn't speculate on whether it will happen for him because of his new family responsibilities.

But he recommends it for other unattached young men - as an adventure and to see satisfaction in doing something. And that, he says, is no recruiting pitch. He means it.

A Marine distributes candy to Vietnamese children at Thanksgiving Day party.

MARINE SGT. DAVE LARSON  
"You Can Do Some Good...And See It!"

Children at the Phu Thuong Orphanage, near Danang, taste ice cream for the first time.

## F.C. Miller Earns Law Degree

WAYNE - Franklin C. Miller, 30, son of Mr. and Mrs. George Miller, 32463 Annapolis, passed the August, 1967 Michigan State Bar examinations. It was announced this week.

Miller, a 1960 graduate of Michigan State University with a Bachelor's degree in economics, received a Juris Doctor degree from Cleveland-Marshall Law School of Baldwin-Wallace College,

Cleveland, Ohio, in June of 1967.

In addition to his study of law, Miller has been employed by the Shell Oil Company since graduation from MSU. He currently is a supervisor at Shell's Chicago Data Service Center.

Miller lives at 130 S. Bobby Lane, Mr. Prospect, Ill., with his wife, Joan, and three children.

**"JUMBO SIMULATOR"** - Featuring a completely new visual training system and double the motion system of present jet simulators, it is ready for pilot training by 1970. The cockpit setup on the left and the digital computer complex at the right will make it one of the finest and most advanced in the world today.

## New Simulator For Perfection

HOW DO YOU LEARN to fly a giant jet liner, learn to cope with problematic situations which can suddenly arise along with unique characteristics of any new aircraft?

The big answer is a "simulator."

And big it has to be, at least in this case, as it will represent the first of the jumbo jets, the Boeing 747. Long before the 747 prototype will have flown its first test flight, literally dozens of pilots will have been "run-out" in the 747 simulator that never leaves the ground.

United Air Lines, long reputed for pioneer crew training programs, last week signed a contract with General Precision Systems, Inc., a member of the famed "Link" trainer family, for a 747 flight simulator with a price tag of \$2.5-million.

The new simulator will be operational by February 1970. Although the coming jumbo jets are approximately twice as large as the current DC-8, the general cockpit dimensions are almost identical, as will be the simulator's.

The 747 simulator will be placed in the area of the airlines Denver Flight Training Center which also houses 15 other jet simulators, six cockpit procedure trainers, and two flight instrument trainers.

While the present jet flight simulators require no more than radical 747 will need a much greater amount of floor space, basically because its motion system is double that of the present jet simulators. Current estimates are that the new 747 complex will require an area of 29 feet by at least 35 feet because of the huge 747's back-and-forth up-and-down motions.

With a 6-degree freedom motion system, the 747 simulator will be able to closely duplicate actual aircraft movements. Presently, such units have only a 3-degree freedom motion system.

Additional to the cockpit, the 747 simulator will have a digital computer system which will be placed in an adjoining room. Tabbed as the "Sigma-5", this computer system can record each movement made by the student and instantly play it back, moving all cockpit controls, instruments, and levers in an identical pattern. Errors can be instantly detected, understood, and quickly corrected in this manner. Added advantage also is that ideal or recommended maneuvers can be demonstrated for the student.

Another big innovation with the unit will be that in addition to the motion system and the digital computer will be the new video system located within the cockpit, itself now under development.

Currently, jet simulators contain a panel of buttons which are used to simulate problems for the student. In the new 747 setup, a video tube will replace the button panel. This will show a complete description of a malfunctioning performance. Among these would be such as an engine failure for the student to solve as it will be shown in complete detail on the tube. Other numerous performance problems can be introduced in this manner.

Since the video tube will take far less space than the former array of buttons, there will be enough room in the cockpit for a rear screen slide projector. This projector also will show system malfunctioning. A problem, for example, could involve the aircraft electrical wiring or hydraulic system. Intime, many other problems could be programmed to cover most any situation that would in any actual emergency.

Although the first of these 747 simulators will be put into operation by United at their Denver facility for training its own flight personnel, plans are being projected for contract training of pilots from other airlines.

The huge Boeing 747 jumbo 500 passenger jetliner is expected to be flight tested and placed into service by 1970. All major airlines now have this coming new giant on order and thus the need for a serious heavy program of flight simulator training will carry a high priority in the airline industry.

# County Board to Meet Today; May Set CC Trustee Election

WAYNE — Congressman William D. Ford (Democrat-15th District) this week hailed adoption of a tough truth-in-lending bill as a "great victory for American consumers."

Congressman Ford was a co-sponsor of the legislation, which was approved Thursday by the House of Representatives with only four dissenting votes. It had already been approved by the Senate, in a somewhat weaker version, and a conference will be held to settle differences.

The bill states, simply, that whenever a consumer borrows

or buys on time, he must be told clearly and fully how much it will cost him to "charge it" rather than pay cash.

Congressman Ford said that the House bill eliminated exemptions included in the Senate version for department store revolving credit and for purchases where the total credit charge is less than \$10.

The House retained a Senate provision setting sharp restrictions on pay garnishments. The section forbids garnishment of the first \$30 of any person's weekly pay check, and permits only up

to 10 per cent of the remainder. These restrictions would apply only to garnishments for unpaid debts, excluding taxes and family support.

"Under this legislation," Congressman Ford said, "the home buyer must be given the total interest charges over the life of the mortgage; he must be told in advance, when he needs a home-improvement loan, whether he is granting a second mortgage on his home.

Department stores must state their interest charges on unpaid bills at an annual rate, rather than monthly. Advertisers could no longer issue such enticing offers as \$1 down and \$1 a week, without revealing the annual interest rate and total cost of credit.

"This legislation will save American consumers many millions of dollars," Congressman Ford said. "It will not inconvenience or hurt the honest businessman, but it will make it difficult, if not impossible, for the loan shark or unscrupulous operator to take advantage of unsuspecting buyers."

**HAPPY LANDING** — And more in the form of a giant cake awaited Captain Warren Schultz when he landed at nearby Metro Airport a few days ago. Inksterite Mary Ann Kischewski, of 26460 Avondale, an operations staffer for Northwest Airlines, make the official presentation to the Captain who retired after 26 years of flying.

## Lending-Truth Bill Earns Ford's Praise

DETROIT -- The Wayne County Intermediate Board of Education is scheduled to meet this morning (Wednesday) to possibly set the date for election of seven trustees to the proposed Wayne County Community College.

The session follows another special meeting which was held last Wednesday (Jan. 31) with the State Board of Education's

### Lions Mass For Eyeglass Collection

Area Lions Clubs will join other Lions Clubs of District 11A1 of Lower Michigan to sponsor the largest used eyeglass collection ever attempted, Walter Breyer, Deputy District Governor, announced this week.

Thomas Munson, President of the Dry Cleaning and Laundry Institute, is scheduled to announce the kick off of the eyeglass collection program at their annual meeting Thursday, Feb. 15, Breyer said.

The Lions will furnish collection containers and signs to approximately 600 Dry Cleaners. After the used eyeglasses are collected, they will be given to the World Medical Relief, Inc. for distribution, he added.

Wayne County Community College Committee.

"I am sure our combined deliberations at the special meeting will further implement the community college development," Mrs. Betty Becker, president of the Intermediate Board, said.

The Intermediate Board is now studying four possible dates for the election of trustees, she added.

At last week's meeting, the combined groups reviewed the Intermediate Board's involvement in community college activities, considered possible dates for the election of trustees and reviewed the Intermediate Board's legislative responsibilities in connection with the proposed election.

The State Board Committee includes James F. O'Neil, Thomas J. Brennan, and State Board for Junior and Public Community College member Dr. Alfred Meyers.

Edwin L. Novak, president of the State Board of Education, who appointed the Ad Hoc State Board Community College Committee, was also present. Others in attendance included Dr. Charles E. Morton, Miss Marilyn Jean Kelly and State Department of Education's administrative secretary Lad Dombrowski.

# "CHRISTIAN UNITY?" AT WHAT COST?

## HEAR: DR. G. ARCHER WENIGER

Pastor at Foothill Blvd. Baptist Church, Oakland, California. Chairman of the Board of Trustees, San Francisco Conservative Baptist Theological Seminary. Author and Authority on Ecumenicalism.

**TIME:** February 12, 13 and 14  
7:30 P.M.

**PLACE:** Forest Avenue Baptist Church  
218 E. Forest, Ypsilanti

### Some of the outstanding messages of Dr. Weniger are:

- "The Essence of Separation" What is Biblical Separation?
- "The Gospel and the Social Gospel Counterfeit"
- "The Ecumenical Dream" The seven phases of the ecumenical movement.

If the cost of unity must include the sacrifice of the sole authority, and verbal inspiration of God's Holy Word as taught by the National Council of Churches then to some the cost is too high...

If the purpose of Christianity must — be changed from its historic stand of seeking and winning to Jesus Christ the lost of humanity to that of temporal social betterment then for some the cost is too high...

If the cost of unity must include a return to ecclesiastical domination and persecution from which we escaped barely three hundred years ago...

If the cost of unity must include dialogue and fellowship with that church which cannot as yet make up its mind whether or not those of minority religious groups should be allowed freedom in nations it dominates...

If the cost of unity must include acceptance of the repugnant, carnal and false doctrines of the apostate church, then we who remain true to the historic Christianity must say... "the cost is too high."

If the cost of unity must align us with the leftist, communistic sympathies and associations of the national Council of Churches and the World Council of Churches, then the cost is too high!

If the cost of unity must place us in the same camp with those who burn draft cards, oppose authority, press for acceptance of homosexuals, teach new morality, condone civil disobedience, and neglect the teaching of God's Holy Word, then the cost is too high!

We favor "Scriptural" unity that is based upon these truths:

- The verbal, plenary inspiration of the Holy Scriptures, both the Old and the New Testaments. (These scriptures are the rules for faith and practice and are not secondary to any ecclesiastical authority.)
- The creation of man by the direct act of God.
- The sinfulness of man and his need of redemption. (Mankind is totally depraved and is as bad off as he can be. He must be born again of the Spirit of God according to the words of Jesus Christ found in John 3:1-8.)
- The incarnation and Virgin Birth of our Lord and Savior Jesus Christ.
- His sacrificial death on the cross (the shedding of His blood) as a substitute for sinful man.
- That Jesus Christ is the only mediator between God and man.
- That when Jesus Christ comes at the Rapture, the graves will open and those who have died in the faith will rise to meet Him in the air.
- That He is coming to the earth again after the Tribulation to establish His Millennial Kingdom after which He will judge those who deny these cardinal truths and sentence them to Hell for all eternity.

### WE ARE NOT IN FAVOR OF LAYING ASIDE THE BIBLE IN FAVOR OF ANY KIND OF UNITY!

We are not confused by the "great spirit of brotherhood" which is purported to prevail in ecumenical ranks. The Bible says that the Devil is able to transform himself into an angel of light. (2 Cor. 11:14)

We loathe those who have no conviction — care or little or nothing for God's Word — and would sacrifice truth for unity.

# AT ROMULUS SCHOOL

## 'International Breakfast' Served By Third Graders is Success

ROMULUS -- An "International Breakfast," served to Mrs. Matilde Dolen's third graders and their mothers at the Romulus Elementary School, Wednesday morning, Jan. 31, was a happy educational experience and "huge success," School Principal, Mrs. Margaret Bird, announced.

Back in November, Mrs. Dolen had the children write down what they ate for breakfast. She discovered that some children did not eat a good breakfast and some were not eating any breakfast at all; so that they could do their best work in school.

We started looking for breakfast foods in magazines and

proceeded to work towards our idea of an international breakfast.

The Michigan Dairy Council provided a poster showing children from different countries along with a booklet called "It's Breakfast Time Somewhere."

WE READ about Australia, China, Egypt, Brazil, Norway. We discussed different ways of dressing, education and breakfast foods of these various countries. Each third grader selected a child from the poster, it was agreed that we would invite the child from the poster to our American breakfast.

In arithmetic they figured out how much milk, bread and

butter, orange juice, cereal and bananas, were necessary to feed themselves and their mothers. They found out how much various foods cost and what it would cost to have such a breakfast.

For English they learned how to write letters of invitation. Each child wrote a personal letter to his mother or father to attend their "International Breakfast."

THE BREAKFAST cereal was donated by the Kellogg Company while the flags and posters were provided by Eckrich Sausage Company.

On Thursday three children looked up in the Encyclopedia Americana "Flags of different nations" and all the flags were identified.

The report was presented to the rest of the class. The children also learned how to estimate the distance between one European Country to the state of Michigan.

The following parents attended the breakfast:

Mrs. Janet Lemmon, Mrs. Arlene White, Mrs. Hester Sampson, Mrs. Beulah Kersey, Mrs. Elizabeth Fabinski, Mrs. Christine Anderson, Mrs. Evon Williams and Mrs. Lois Leinike.

Due to the wonderful cooperation of our principal Mrs. Margaret Bird and the involvement of the parents, those who were able to come early helped serve the breakfast, others helped by taking time from their busy schedule to come to the school at 9 in the morning to have breakfast with the children. All this helped to make the project a huge success.

## Membership Drive Aids Scouting

**SCOUTS LAUNCH DRIVE**--The Belleville Community launched its annual Sustaining Membership Program for the Huron District Boy Scouts of America last week. In a kick-off session shown above are left to right: Steve Kuchta, Emery Seestedt, Mitch Moran, Bob Breeding, Tom Hopka, Justin Emerson, Manley Baldwin, Don Walters, Clyde Batzer, Dick Muse, Ed Stoelton and Don Nelson.

**BELLEVILLE** -- The Belleville Community has launched its Annual Sustaining Membership Program for the Huron District of the Boy Scouts of America.

The program currently underway seeks to enroll 80 Sustaining Members, who in turn assist in extending Scouting to boys in the Huron District of the Detroit Area Council of the Boy Scouts of America. Bobby Breeding is community chairman and Justin Emerson, special chairman.

The United Foundation has endorsed the Scout's Annual Sustaining Enrollment Program as a means of meeting their budget needs to extend Scouting through the Cub Scout, Boy Scout and Explorer Scout.

The Huron District covers: Brownstown, Huron, Romulus, Sumpter, Taylor and Van Buren Townships.

The Detroit Area Council serves some 68,000 boys and 25,000 leaders and the Huron District serves some 2,300 boys and 500 leaders.

## Local Drive Chairmen Named by Easter Seal

Local chairmen who will spearhead the 1968 Easter Seal Campaign were announced this week by Daniel Mercure, general chairman.

Jerry L. Kelly, D.D.S., 13012 Ormond, Belleville Rotary Club, was named chairman for the Belleville area; Victor R. Boyer, 36934 Huron River Drive, chairman of the New Boston area; and William M. Oakley, 9875 Tobine, chairman of the Romulus Township area.

Mercure said that over 3,000 volunteers will be involved in the annual appeal for funds conducted by the Easter Seal Society of Western Wayne County.

The campaign will open March 1 and continue through April 14, Easter Sunday.

"I am deeply honored to take on this responsible role," said Mercure. "The Easter Seal Society is a voluntary agency which has taken leadership in providing help for the handi-

capped for some 47 years, and the need for rehabilitation is growing."

"I AM CONFIDENT the cooperation of all residents of Western Wayne County in contributing their volunteer time and their dollars will make it possible to continue bringing this vital service to the many crippled children and adults who need it," he said.

The Easter Seal Campaign is conducted annually by some 1,400 state and local affiliates of the National Society for Crippled Children and Adults. Last year, rehabilitation services were given to almost a quarter million crippled children and adults by Easter Seal agencies.

In Western Wayne County over 500 handicapped children and adults were served last year through the Easter Seal Center near Michigan and Middlebelt in Inkster.

**Convert your home or business to economical Natural Gas heat today and pay nothing for six months.**

Convert now to Gas heat, and Michigan Consolidated Gas Company will buy your unused oil or coal—even remove your oil tank—all at no cost to you. What's more, whether you convert your present furnace, or even install a new Gas furnace, we'll pay the bill. And all you pay us, for the next six months, is for the Gas you'll use to make this your most comfortable winter ever. Here's how this special offer works:

1. If you're now heating with oil, we'll buy what's left in your storage tank—at the price you paid for it. What's more, we'll remove the tank from your home or business and even haul it away if you want. All at no cost to you.
2. If you're now heating with coal, we'll take what coal you have on hand, off your hands. And pay you whatever it cost you originally.
3. Whether you convert your present furnace, or even install a new Gas furnace, we'll pay for it and its installation by a participating Gas heating contractor, and it won't cost you a penny for six months after installation. At the end of six months, you can pay for the unit and its installation with no carrying charge whatsoever. Or if you prefer, you can then start making equal monthly payments, including carrying charges, on your Gas bill, over a period of up to three years. Either way, there are no carrying charges until six months after installation, and you need make no payments until then. If you live in the areas we serve, you're entitled to take advantage of this special offer. So act now. Call your participating Gas heating contractor or Michigan Consolidated Gas Company office today for details.

Remember, too—when you heat, with natural GAS—you save up to 1/3 on your heating bills.

GAS MAKES THE BIG DIFFERENCE... COSTS LESS, TOO.

**MICHIGAN CONSOLIDATED GAS COMPANY**

# Would You Believe... 18 Years Ago

**HARDLY SEEMS** the above picture was taken 18 years ago. But time "flies" on. The handsome airline captain seated on the flight deck of a DC-4 airliner back in 1950 is none other than long-time resident of Belleville Carey "Casey" Pierman of 117 E. Huron River Drive. Casey is now president of the Belleville Plating Company. He flew as an airline pilot for over 26 years, the majority of which was from nearby Willow Run Airport. (photo from the files of Bill Balogh).

## AT METRO AIRPORT

# Multi-Million Dollar Road, Terminal Complex Planned

Plans are being developed for a new \$150 - \$200 million road system and terminal complex at Detroit Metropolitan Airport by its operator, the Wayne County Road Commission.

The preliminary plan, which will not be finalized for several months, calls for two free-way routes to the airport and increased terminal space to provide 62 airline gate positions by 1970; 79 by 1980 and an ultimate figure of 100 positions.

Chairman Philip J. Neudeck, speaking for his fellow commissioners, William E. Kruger and Michael Berry, said the terminal and roadway improvements would be in conjunction with the Board's plans for field improvements that will eventually be a triple parallel runway system.

"We have come a long way at Metro in recent years," said Neudeck. "But we have a longer way to go in providing the convenience the public has a right to demand as we enter the age of the jumbo, super jumbo and supersonic jets."

HE SAID that the successful integration of automobile and airplane travel relationship must go hand in hand and that the auto just as much as the jet must shape our terminal and airport concepts.

The plans are being devised by Arnold Thompson Associates, a widely known airport terminal consulting firm. The firm's preliminary conclusions are:

• That Eureka Road be up-graded as soon as possible and

that a limited access connection with I-96 be programmed at the earliest possible date.

• That to relieve existing and forecasted airport road congestion, the southerly and northerly terminal sites with a major underpass providing two lanes each way for public vehicles, one lane each way for airport vehicles and a median for an intra-airport transportation device. This roadway would provide access to downtown Detroit via both I-94 and I-75.

• That major terminal construction be scheduled south of the existing runway system to provide the additional gate positions.

• That immediate steps be taken for expanded international facilities.

• That the existing airport roadway system be revamped in light of the projected southerly terminal development and a separation of parking from express traffic be devised.

Thompson, president of the consulting firm, made his terminal and roadway study in conjunction with the Road Commission's decision on an ultimate plan for triple parallel runways.

His plan is compatible with this concept, and he said 20-25 year 50 additional gate program would cost from \$150 million to \$200 million.

## Father-Son Banquet Set

ROMULUS -- St. Aloysius Catholic Church will host the parishes of St. Stephens and St. Anthony Catholic Churches at their Tri-Parish Father and Son Banquet this Sunday evening, Feb. 11.

Festivities will start promptly at 5 p.m. in the dining hall of the St. Aloysius School, Neville and Ozga Roads. Chief speaker for the evening will be the Wayne County Prosecutor, William L. Cahalan.

CAHALAN WILL speak on topics of vital interest at the present time: LSD, crime, drugs and narcotics.

There will also be a magician on hand to entertain the boys, and their fathers as well.

Father Joseph Kernosek, Pastor of St. Aloysius Parish, cordially extends an invitation to the Holy Name members of the three parishes to attend the banquet with their sons.

The banquet committee members include: President, Rich-

ard Bergmooser; Al Perry, Ron Kampen, Ed Witherow and Mike Molenda.

Cahalan graduated from the U. of D. Law School in 1951 and served as Assistant Prosecuting Attorney for Wayne County from 1952 to 1957. He served in World War II with the 69th Infantry Division in France, Belgium and Germany.

## Moose Lodge Notes

by George W. Steger

The Belleville Lodge No. 934 held an Enrollment on Saturday Jan. 27, at the Moose Home and eight new members were enrolled into our defending circle. The Belleville Ritual Team put on the Ritualistic work. A turkey dinner was served by the Women of the Moose and dancing was enjoyed to the music of

"The Chavelles" all girl band. Our Belleville Ritual Team are putting on the Ritualistic at Grayling Saturday Feb. 3. Tonight, Wednesday Feb. 7, there will be an officers meeting at the Moose Home at 7 p.m. Membership meetings are the second and fourth Monday of each month. Officials would like to see a lot of members at the meetings. The meetings are at 7 p.m. at the Moose Home.

Brother Lee Jacobs' wife, Helen, is in the Beyer Hospital. Brother Devaun Burnette's wife is in the hospital.

Watch this paper for future events in the Belleville Lodge. There will be no orchestra on Saturday Feb. 10, but there will be a Valentine Dance Saturday Feb. 17, at the Moose Home with music by Ted Leonard.

Birds of the old world thrush family were known as ouzels.

## Huron Calls For Vote Registry

NEW BOSTON -- Registration of Huron Township voters is falling behind expectations despite repeated publicized requests to do so. Mrs. Wilma Wilson, township clerk, disclosed this week.

Out of a possible 3,297 voters who must re-register, only a third, or 1,152 residents, have done so. Deadline for complying with the authorized re-registration program is March 16, Mrs. Wilson announced.

Township administration officials received approval of the State Election Commission and Wayne County Circuit Court to re-register township voting lists to comply with new forms, update voting records and with the renumbering of vote registrations required when the township divided up voting precincts in 1967.

# TIGER TALES

BY DENA RODENBERG

The Belleville High newspaper staff and Mrs. Marjorie Jahr's second and third hour journalism classes are taking their first field trip for the second semester on Friday, Feb. 9.

The classes will leave the school sometime during the second hour. From there buses will transport them to Glenn Rotary Offset in New Boston, where the "Tiger News Tribune" is printed.

After they have had a complete tour of the Glenn Rotary they will again take a bus which will transport them to the Ann Arbor News in Ann Arbor. Between their leave at Glenn Rotary and their arrival at the Ann Arbor News the classes will have lunch.

Mrs. Jahr wants her classes to profit from this trip by learning more about their school paper and where it goes to be printed, as well as about the printing of large city papers.

THIS YEAR'S journalism classes have followed the example set by classes of past years in editing their own paper.

The name of the paper will be "Tiger Tracks." The first sale for this paper will be Friday, Feb. 9. The journalism pupils will sell during home-room, using the profits to buy NSPA cub reporter pins.

The editors for "Tiger Tracks" are: Janet Walters and Carole Merritt, news page; Steve Pratt and Debbie Thompson, feature page; Kathy Lomas and Joy Morris, editorial; Jim Phillips and Greg Partridge, sports. The rest of the class were reporters.

"Tiger Tracks" will be good practice for the journalism students who plan on entering TNT.

Mrs. Connie Scheid's biology classes are working on a rather interesting project. The students have a collection of different animals, and through studying have predicted when their pets will have babies. They have two mother mice. One of them, Melanie, had her nine little babies last week. Pinky, the other mother is expected to have hers in two more weeks. Their chickens should hatch Thursday.

Mrs. Scheid sent away for twenty-four frogs, eighteen male and six females, for her classes. The frogs are supposed to arrive from Wisconsin on Monday. The students plan to dissect fifteen of their frogs and mate the rest. This should prove to be very interesting.

THE SOPHOMORE class have just held their dance and are starting on another project. Their candy sale started last week and will continue until Feb. 16. The procedure will be the same as that of the years before. Taffy will be sold for \$1. The sophomores are selling the candy to raise money towards their Senior Trip.

There was a class meeting Thursday at which plans were made definite for the Mardi Gras booth.

Richard Steiger's American history classes seem to be enjoying themselves. Steiger has introduced a new business game for high schoolers. For the past two weeks his own American history classes have been playing it. The game is a complicated version of Parker Brothers' Monopoly.

Four students are officers in their company. They begin the game by purchasing raw materials so they can produce their product. Stock is also purchased and a tax is required for storage, production, and factories. A bid is placed and if you play the game with a lucky streak you can make a profit.

THREE EXCHANGE students have come to BHS this second semester, two from Brazil, and one from Chile.

From Sao Paulo, Brazil came fifteen-year-old Vivian de C. Dreyfuss, and from Rio, Brazil came seventeen-year-old Carmen Viera de Castro. Also seventeen-year-old Jules Troncoso, from Chile. Vivian, who arrived Jan. 11, is staying with Christian Ferrier. Carmen, who arrived Jan. 14, is staying with Sue Gulsola. Jules Troncoso is staying with Beverly McDonald.

The three girls have agreed America is quite different from their own countries. At their own schools right now it is summer vacation. They go to school for the months March through June. They then get July off for the winter. They start back to school August and go until Dec. 15. They attend school six days a week, from seven in the morning till twelve o'clock noon.

In Brazil if you want to take up a certain profession like being an elementary teacher, during your last three years of high school you can take a special class and when you finish with your senior year you may be a teacher. This is partly due to Brazil's low percentage of teachers.

THE ANNUAL Mardi Gras will soon be held, Feb. 10 is

the date set. Each club enters into this big event hoping to earn some extra money.

## ON BIBLE QUIZES

### Competitive Activities Between Churches Aired

BELLEVILLE -- One of the most exciting competitive activities in this area is between churches. The young people from the various churches get together the last Sunday of each month to compete in Bible quizzes.

Rev. Ron Wagner, Youth Pastor at Bethany Baptist Church of Belleville, announced. The churches have been divided into two groups with the churches in and north of Ann Arbor in the northern league and the ones south of Ann Arbor are the southern league.

The quizzes are directed by the Huron Valley Youth for Christ. Each team studies three chapters from the book of John each month, the chapters for the month of February are 10-12. This quiz will be held at Forest Avenue Baptist Church in Ypsilanti, Feb. 25.

IN THIS type of competition stress is placed on ability to recall the material and speed in standing up. The quizmaster asks questions from the three chapters and the quizzers must try to beat the young people from the other teams.

If the teens jump before he has finished the question, they must finish the question and then give the answer. Twenty points are given for a correct answer.

After one person has answered three questions correctly, he is not allowed to answer other questions unless the other team answers incorrectly. Three teams quiz at a time.

THE CHURCHES in the southern league are Rawsonville Community Church, Ypsilanti; Carleton Community Church, Carleton; Calvary Baptist Church, Plymouth; Christian Reform Church, Ann Arbor; and two teams from Bethany Baptist Church, Belleville.

This Saturday, Feb. 10, all star quiz teams from both the southern and the northern leagues will compete in an invitational quiz in Valparaiso, Indiana. This quiz will cover the first nine chapters of the book of John.

The young people representing this area are: Pat Adkins, Rawsonville Community Church; Sue Klein, Bethany Baptist Church; Pam Phillips, Bethany Baptist Church; Becky McGuire, Calvary Baptist Church; and Darrell Maynard, Bethany Baptist Church.

This program has sparked a new interest in young people to study the Bible. Most of these young people have almost memorized the chapters in John which they have studied so far, Rev. Wagner said.

MARTIN R. SACQUETY

### Sacquety Promoted

BELLEVILLE -- Martin R. Sacquety, son of Mr. and Mrs. Charles Sacquety of 18540 Lohr road, has been promoted to sergeant Jan. 26 by U. S. Army officials at Panama Canal Zone where Sacquety is now stationed, his parents reported.

Sgt. Sacquety was assigned as Army private in January, 1967 and after eight weeks of military training at Fort Leonard Wood, Missouri, with Company A, Fourth Battalion, Tenth Infantry.

Following this training he received additional advanced training at Fort William D. Davis, Panama Canal Zone where he has been stationed since April 1, 1967.
